

GRIP INSERTS - RANSOM GRIP INSERTS FOR PHOENIX TRINITY EVO 2011

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR PHOENIX TRINITY EVO 2011
- Manufacturer: RANSOM
- Product no.: 430119550
- Mfr. No.: 30-300-46-01
- Delivery weight: 0.907kg
- UPC: 810132581731

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR PHOENIX TRINITY EVO 2011

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS von RANSOM, die speziell für den Phoenix Trinity EVO 2011 entwickelt wurden. Diese Anleitung soll dir helfen, die Sicherheit bei der Verwendung des Produkts zu gewährleisten und potenzielle Risiken zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Die GRIP INSERTS sind so konzipiert, dass sie die Rückstoßkräfte deines Gewehrs effizient absorbieren, um Schäden zu vermeiden.
- Verwende die Inserts nur gemäß den Anweisungen in dieser Anleitung.
- Halte das Produkt außerhalb der Reichweite von Kindern und schütze es vor unsachgemäßer Verwendung.
- Achte darauf, dass alle Teile des Gewehrs in gutem Zustand sind, bevor du die Inserts verwendest.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung harter Grip Inserts oder 3Dgedruckter Kunststoff Inserts, da diese deinem Gewehr schaden können.
- Stelle sicher, dass die GRIP INSERTS richtig installiert sind, um eine optimale Leistung zu gewährleisten.
- Überprüfe regelmäßig die Inserts auf Abnutzung oder Beschädigung und ersetze sie bei Bedarf.
- Achte darauf, dass du beim Schießen stets die richtige Haltung und Technik verwendest, um Verletzungen zu vermeiden.

Anweisungen zur Installation und Verwendung

1. Vorbereitung:

- Stelle sicher, dass dein Gewehr sicher und in einem stabilen Zustand ist.
- Überprüfe, ob die GRIP INSERTS unbeschädigt sind.

2. Installation:

- Entferne die alten Inserts, falls vorhanden.
- Setze die GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein.
- Stelle sicher, dass sie fest sitzen und keine Lücken aufweisen.

3. Verwendung:

- Halte das Gewehr sicher und stabil, während du schießt.
- Achte darauf, dass die Inserts ihre Funktion erfüllen und den Rückstoß absorbieren.
- Nach dem Schießen, überprüfe die Inserts auf Abnutzung oder Beschädigung.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoff und anderen Materialien.
- Achte darauf, dass du die Inserts nicht in die Umwelt oder in den Hausmüll wirfst, sondern an einem dafür vorgesehenen Ort entsorgst.

Kontaktinformationen für weitere Unterstützung

- Bei Fragen oder Anliegen zu den GRIP INSERTS wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast.

Wichtiger Hinweis

- Verwende keine harten oder 3Dgedruckten Inserts! Diese können deinem Gewehr schaden und die Leistung beeinträchtigen.

Bitte beachte, dass die Sicherheit bei der Verwendung von Gewehren von größter Bedeutung ist. Halte dich an diese Richtlinien, um ein sicheres und effektives Schießerlebnis zu gewährleisten.

GRIP INSERTS RANSOM GRIP INSERTS FOR PHOENIX TRINITY EVO 2011 Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Phoenix Trinity EVO 2011. These grip inserts are designed to enhance your shooting experience while ensuring safety and performance. This guide provides essential safety instructions and information on the proper use of this product to prevent accidents and injuries.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the grip inserts.
- Use grip inserts specifically designed for the Ransom Rest to avoid damage to your firearm.
- Avoid using hard grip inserts or 3Dprinted plastic inserts. These can generate destructive recoil energy and may harm your firearm.
- Inspect the grip inserts regularly for wear or damage. Replace them if they show signs of deterioration.
- Keep the product out of reach of children and vulnerable individuals to prevent misuse.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:**
 - Hard grip inserts can cause damage to your firearm by generating excessive recoil.
 - They may not replicate humanlike recoil, leading to invalid test results.
- **Prevent Injury:**
 - Using hard inserts can decrease the life of the barrel and gun.
 - There is a risk of injury or death if a hard insert fails during use.
- **Mimic Human Recoil:**
 - Always use inserts that are designed to absorb recoil like the human hand.
 - This will ensure accurate testing and prevent damage to the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and in a safe position.
- Remove any existing grip inserts from the Ransom Rest.
- Carefully insert the Ransom International Grip Inserts into the designated slots, ensuring a snug fit.
- Verify that the inserts are securely in place before proceeding.

2. Usage:

- Position the firearm in the Ransom Rest with the installed grip inserts.
- Conduct your shooting tests while monitoring for any unusual vibrations or movements.
- After use, inspect the grip inserts for any signs of wear or damage.

3. Maintenance:

- Clean the grip inserts regularly to maintain their performance.
- Store the grip inserts in a cool, dry place when not in use.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw away grip inserts in regular household waste if they contain hazardous materials.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Ransom International Grip Inserts, please refer to the contact information provided by the manufacturer. Always ensure you are following the latest safety guidelines and recommendations.

By adhering to these safety instructions, you can ensure a safer and more effective experience with your Ransom International Grip Inserts. Always prioritize safety and proper usage to maximize the performance of your firearm.

Istruzioni di Sicurezza per gli Inserti di Presa RANSOM per Phoenix Trinity EVO 2011

Introduzione

Benvenuto nella guida di sicurezza per l'utilizzo degli Inserti di Presa RANSOM. Questo prodotto è progettato per migliorare l'esperienza di tiro e proteggere la tua arma. È fondamentale seguire queste istruzioni di sicurezza per garantire un utilizzo corretto e sicuro.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli Inserti di Presa RANSOM. L'uso di inserti rigidi o stampati in 3D può danneggiare la tua arma e compromettere la tua sicurezza.
- Non utilizzare mai inserti che non siano stati progettati specificamente per il tuo Master Series Ransom Rest.
- Verifica regolarmente lo stato degli inserti e sostituiscili se mostrano segni di usura o danni.
- Segui sempre le istruzioni del produttore per l'uso e la manutenzione degli inserti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare inserti rigidi o in plastica stampati in 3D. Questi possono ridurre la vita della canna e dell'arma e possono causare infortuni o morte in caso di malfunzionamento.
- Gli inserti devono essere installati correttamente per garantire che assorbano le vibrazioni e il rinculo in modo efficace.
- Non tentare di modificare gli inserti o utilizzarli in modo diverso da quanto previsto.
- Assicurati che l'area di tiro sia sicura e che tutte le norme di sicurezza siano seguite durante l'uso della tua arma.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi gli inserti esistenti dal tuo Master Series Ransom Rest.
- Pulisci l'area di installazione per garantire una buona adesione.
- Inserisci gli Inserti di Presa RANSOM seguendo le istruzioni specifiche fornite dal produttore.
- Assicurati che gli inserti siano ben fissati e non si muovano durante l'uso.

2. Uso degli Inserti:

- Posiziona la tua arma sul Ransom Rest con gli inserti correttamente installati.
- Assicurati che la tua arma sia in una posizione sicura e stabile prima di iniziare a tirare.
- Durante il tiro, osserva attentamente le prestazioni della tua arma e degli inserti. Se noti vibrazioni eccessive o problemi, interrompi immediatamente l'uso e controlla gli inserti.

Istruzioni per lo Smaltimento

- Gli inserti usurati o danneggiati devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nel compost o nel normale rifiuto domestico.
- Contatta il tuo centro di raccolta locale per informazioni sullo smaltimento sicuro.

Informazioni di Contatto per Ulteriori Supporto

Per domande o ulteriori informazioni sulla sicurezza e l'uso degli Inserti di Presa RANSOM, ti invitiamo a contattare il produttore o il rivenditore autorizzato.

Conclusione

La tua sicurezza è la nostra priorità. Seguendo queste istruzioni e precauzioni, puoi garantire un'esperienza di tiro sicura e soddisfacente con gli Inserti di Presa RANSOM. Se hai dubbi o domande, non esitare a cercare assistenza.
