

GRIP INSERTS - RANSOM GRIP INSERTS FOR STEYR L9-A1 MANNLICHER

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR STEYR L9-A1 MANNLICHER
- Manufacturer: RANSOM
- Product no.: 430119551
- Mfr. No.: 30-300-44-01
- Delivery weight: 0.907kg
- UPC: 810132582486

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die GRIP INSERTS RANSOM GRIP INSERTS für Steyr L9A1 Mannlicher

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS, die speziell für dein Steyr L9A1 Mannlicher Gewehr entwickelt wurden. Diese Anleitung bietet wichtige Informationen zur sicheren Verwendung, Installation und Entsorgung der Griffeinlagen, um sicherzustellen, dass du und dein Gewehr optimal geschützt seid.

Allgemeine Sicherheitsrichtlinien

- Die GRIP INSERTS sind für den Einsatz mit dem Master Series Ransom Rest konzipiert.
- Verwende keine harten Griffeinlagen oder 3Dgedruckte Kunststoffgriffeinlagen, da diese deinem Gewehr schaden können.
- Harte Einlagen können gefährliche Rückstoßenergien erzeugen, die den Rahmen und den Lauf des Gewehrs schädigen können.
- Achte darauf, dass die Griffeinlagen der DurometerHärte der menschlichen Hand entsprechen, um die besten Testergebnisse zu erzielen.
- Bei der Verwendung der Griffeinlagen ist es wichtig, sicherzustellen, dass sie richtig installiert sind, um Verletzungen zu vermeiden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Stelle sicher, dass die Griffeinlagen vor der Benutzung auf Beschädigungen überprüft werden.
- Verwende die Griffeinlagen nur in Verbindung mit dem Master Series Ransom Rest.
- Halte die Griffeinlagen fern von extremen Temperaturen und Feuchtigkeit, um ihre Integrität zu bewahren.
- Achte darauf, dass du beim Testen deines Gewehrs immer die Sicherheitsrichtlinien für den Umgang mit Schusswaffen befolgst.
- Verwende die Griffeinlagen nicht, wenn sie Anzeichen von Abnutzung oder Beschädigung aufweisen.

Anweisungen zur Installation und Verwendung

1. Installation der Griffeinlagen:

- Entferne die alte Griffeinlage, falls vorhanden.
- Setze die neuen GRIP INSERTS sorgfältig in die vorgesehene Halterung ein.
- Stelle sicher, dass die Griffeinlagen fest sitzen und keine Lücken aufweisen.

2. Verwendung der Griffeinlagen:

- Halte das Gewehr wie gewohnt, wobei die Griffeinlagen die Rückstoßenergie absorbieren.
- Achte darauf, dass die Maschine während des Schusses in einer stabilen Position bleibt.
- Überwache die Leistung der Griffeinlagen regelmäßig und tausche sie bei Bedarf aus.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Griffeinlagen gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass die Griffeinlagen nicht in die Umwelt gelangen, um eine Verschmutzung zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung zu den GRIP INSERTS wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Es ist wichtig, dass du bei Sicherheitsanfragen oder Problemen mit dem Produkt eine zuverlässige Quelle konsultierst.

Schlussfolgerung

Die Sicherheit beim Umgang mit deinem Steyr L9A1 Männlicher Gewehr ist von größter Bedeutung. Durch die Beachtung dieser Sicherheitshinweise und die Verwendung der GRIP INSERTS kannst du sicherstellen, dass dein Schießerlebnis sowohl sicher als auch angenehm ist. Denke daran, dass die richtige Handhabung und Wartung der Griffeinlagen entscheidend sind, um mögliche Schäden und Verletzungen zu vermeiden.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR STEYR L9A1

MANNLICHER

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Steyr L9A1 Mannlicher. These grip inserts are designed to enhance your shooting experience while ensuring safety and performance. This guide provides essential safety information, installation instructions, and usage guidelines to help you use the product effectively and safely.

General Safety Guidelines

- Always ensure that your firearm is unloaded before attaching or detaching the grip inserts.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can cause damage to your firearm and lead to unsafe conditions.
- Be aware that improper use of grip inserts can lead to injury or damage to your firearm.
- Always follow the manufacturer's instructions for installation and usage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that travels through the frame and barrel of the firearm, potentially causing damage.
- **Absorption of Forces:** The grip inserts are designed to mimic the human hand, absorbing recoil and vibration to prevent harm to the firearm.
- **Check for Damage:** Regularly inspect your grip inserts for signs of wear or damage. Replace them if they show any signs of deterioration.
- **Use with Caution:** Always handle firearms with care and ensure you are in a safe environment when testing or using the grip inserts.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and in a safe condition.
- Remove any existing grip inserts from your firearm.
- Align the Ransom Grip Inserts with the grip area of your firearm.
- Firmly press the inserts into place until they are securely fitted.
- Verify that the inserts are properly installed and do not interfere with the operation of the firearm.

2. Usage:

- When using the firearm with the grip inserts, maintain a firm but comfortable grip.
- Monitor your shooting experience to ensure that the inserts are functioning as intended.
- If you experience unusual recoil or vibration, stop using the firearm immediately and inspect the grip inserts for any damage.

Disposal Instructions

- Dispose of any damaged grip inserts in accordance with local regulations for plastic waste.
- Do not attempt to reuse or repurpose damaged inserts, as this may compromise safety.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Ransom Grip Inserts, please refer to the manufacturer's contact information provided with your product packaging or on the official website.

By following these guidelines, you can ensure a safer and more enjoyable shooting experience with your Ransom Grip Inserts. Always prioritize safety and remain informed about the proper use and care of your firearm accessories.

Istruzioni di Sicurezza per l'Uso degli Grip Inserts Ransom per Steyr L9A1 Mannlicher

Introduzione

Benvenuto nella guida di sicurezza per gli Grip Inserts Ransom progettati per migliorare la tua esperienza di tiro con la pistola Steyr L9A1 Mannlicher. Questa guida fornisce informazioni importanti per garantire un utilizzo sicuro e efficace del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'UE (GPSR).

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo Grip Inserts Ransom approvati. Non utilizzare inserti rigidi o stampati in 3D.
- Segui tutte le istruzioni di installazione e utilizzo fornite.
- Controlla regolarmente il prodotto per eventuali segni di danno o usura.
- Non utilizzare il prodotto in condizioni meteorologiche avverse o in ambienti non sicuri.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire il rinculo e le vibrazioni. Non utilizzare inserti rigidi, poiché possono danneggiare l'arma e causare infortuni.
- Utilizza sempre occhiali di protezione e protezioni per le orecchie quando utilizzi la pistola.
- Assicurati che il Grip Inserts Ransom sia installato correttamente prima di utilizzare la pistola.
- Non tentare mai di modificare o riparare gli inserti in modo non autorizzato.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi qualsiasi inserto precedente dal tuo Master Series Ransom Rest.
- Posiziona i Grip Inserts Ransom nello slot designato, assicurandoti che siano ben fissati.
- Verifica che gli inserti siano allineati correttamente prima di utilizzare il supporto.

2. Utilizzo:

- Posiziona la pistola Steyr L9A1 Mannlicher sul Ransom Rest con gli inserti installati.
- Assicurati che il supporto sia stabile e non si muova durante il tiro.
- Esegui il tiro seguendo tutte le procedure di sicurezza standard per le armi da fuoco.

Istruzioni per lo Smaltimento

- Gli Grip Inserts Ransom non devono essere smaltiti con i rifiuti domestici. Verifica le normative locali sullo smaltimento dei materiali di plastica e metallo.
- Contatta il tuo comune per informazioni su come smaltire in modo sicuro i prodotti non più utilizzabili.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza e sull'uso degli Grip Inserts Ransom, consulta il sito web del produttore o contatta direttamente il servizio clienti. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti sul prodotto.

Questa guida è progettata per garantire che tu possa utilizzare gli Grip Inserts Ransom in modo sicuro e

responsabile. Segui sempre queste istruzioni e rimani vigile per garantire la tua sicurezza e quella degli altri.
