

GRIP INSERTS - RANSOM GRIP INSERTS FOR IWI JERICHO 941 POLYMER

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR IWI JERICHO 941 POLYMER
- Manufacturer: RANSOM
- Product no.: 430119552
- Mfr. No.: 30-300-47-01
- Delivery weight: 0.907kg
- UPC: 810132581465

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR IWI JERICO 941 POLYMER

Einleitung

Willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS, die speziell für die IWI Jericho 941 entwickelt wurden. Diese Anleitung bietet wichtige Informationen zur sicheren Nutzung und Handhabung des Produkts, um Risiken zu minimieren und die Lebensdauer deines Gewehrs zu verlängern.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die RANSOM GRIP INSERTS nur gemäß den Anweisungen verwendest.
- Vermeide die Verwendung von harten oder 3Dgedruckten Inserts, da diese deinem Gewehr schaden können.
- Halte dich an die Empfehlungen zur Installation und Nutzung, um mögliche Gefahren zu vermeiden.
- Überprüfe regelmäßig, ob das Produkt sicher und unbeschädigt ist.
- Informiere dich über Rückrufaktionen auf der EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- **Vermeide harte Inserts:** Harte Inserts erzeugen destruktive Rückstoßenergie, die das Gewehr schädigen kann.
- **Achte auf die Handhabung:** Die Inserts sind so konzipiert, dass sie die Rückstoßkräfte absorbieren. Eine falsche Handhabung kann zu Verletzungen führen.
- **Regelmäßige Überprüfung:** Überprüfe die Inserts regelmäßig auf Abnutzung oder Beschädigungen, um ihre Funktionalität sicherzustellen.
- **Schutz für empfindliche Nutzer:** Achte darauf, dass Kinder oder unerfahrene Nutzer nicht unbeaufsichtigt mit dem Gewehr und den Inserts umgehen.

Anweisungen zur Installation und Nutzung

1. Installation der Inserts:

- Stelle sicher, dass das Gewehr entladen ist.
- Entferne die alten Inserts, falls vorhanden.
- Setze die RANSOM GRIP INSERTS gemäß der Anleitung ein. Achte darauf, dass sie fest sitzen und keine Lücken aufweisen.

2. Nutzung der Inserts:

- Halte das Gewehr mit beiden Händen und achte darauf, dass deine Finger nicht in den Bereich des Abzugs geraten.
- Schieße nur, wenn du sicher bist, dass die Umgebung sicher ist.
- Achte darauf, dass die Inserts richtig funktionieren und keine übermäßigen Vibrationen oder Rückstoß übertragen.

3. Nach dem Gebrauch:

- Reinige die Inserts regelmäßig, um Ablagerungen zu vermeiden.
- Lagere das Gewehr an einem sicheren Ort, fern von Kindern und unbefugten Personen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass alle Teile sicher entsorgt werden, um Umweltschäden zu vermeiden.

Kontaktinformationen für weitere Unterstützung

- Bei Fragen oder Bedenken zu den RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Sie können dir weitere Informationen und Unterstützung bieten.

Diese Anleitung ist darauf ausgelegt, dir eine sichere und effektive Nutzung der RANSOM GRIP INSERTS zu ermöglichen. Halte dich an die Richtlinien, um die Sicherheit und Leistung deines Gewehrs zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR IWI JERICHO 941

POLYMER

Introduction

Thank you for choosing the Ransom International Grip Inserts for your IWI Jericho 941 Polymer. This safety instruction guide provides essential information to ensure the safe and effective use of your product. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the grip inserts with your firearm. These inserts are designed to minimize recoil impact and enhance shooting accuracy.
- **Hazard Awareness:** Understand that improper use or installation can lead to damage to your firearm or potential injury.
- **Enhanced Recalls:** Stay informed about any product recalls or safety notices related to this product.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements.
- **Vulnerable Groups:** Keep the product out of reach of children and individuals who may not understand its use.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Do Not Use Hard Inserts:** Avoid using hard grip inserts or 3Dprinted plastic grip inserts. These can cause damage to your firearm and invalid test results.
- **Recoil Management:** Understand that vibration and recoil cannot be eliminated but can be controlled. The inserts are designed to absorb these forces.
- **Check for Damage:** Regularly inspect the grip inserts for wear or damage before each use.
- **Follow Installation Instructions:** Ensure correct installation to maximize safety and performance.

Instructions for Installation and Usage

1. Installation:

- Remove any existing grip inserts from your firearm.
- Clean the grip area to ensure a secure fit.
- Align the Ransom Grip Inserts with the grip area of the firearm.
- Firmly press the inserts into place until securely fitted.
- Ensure that the inserts do not obstruct any firearm functions.

2. Usage:

- Always wear appropriate safety gear, including eye and ear protection when using your firearm.
- Before shooting, ensure that the firearm is in good working condition and that the grip inserts are properly installed.
- When testing, remember that the inserts are designed to mimic the human hand's recoil absorption. This will provide more accurate test results.
- Avoid using your firearm with hard or 3Dprinted inserts, as they can lead to damage and unsafe conditions.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw the inserts in regular household waste. Instead, check for designated disposal facilities or recycling options.

Contact Information for Further Support

For any questions regarding the installation, usage, or safety of the Ransom Grip Inserts, please consult the relevant EU contact point or your authorized dealer.

By adhering to these guidelines, you can ensure a safer and more effective shooting experience with your Ransom Grip Inserts. Thank you for your attention to these important safety instructions.

Istruzioni di Sicurezza per l'Utilizzo degli Inserti GRIP RANSOM per IWI JERICHO 941 POLYMER

Introduzione

Grazie per aver scelto gli Inserti GRIP RANSOM per il tuo IWI JERICHO 941 POLYMER. Questo prodotto è stato progettato per migliorare le prestazioni della tua arma e garantire la sua protezione. È fondamentale seguire attentamente le istruzioni di sicurezza e utilizzo per garantire un'esperienza sicura e soddisfacente.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti RANSOM progettati specificamente per il tuo Master Series Ransom Rest.
- Non utilizzare inserti rigidi o inserti stampati in 3D, in quanto possono danneggiare l'arma e compromettere la tua sicurezza.
- È importante seguire le istruzioni di installazione e utilizzo fornite in questo manuale.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.
- Controlla regolarmente le informazioni sui richiami aggiornati sulla piattaforma Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare inserti rigidi, poiché possono causare danni all'arma e potenzialmente provocare infortuni.
- Assicurati che gli inserti siano installati correttamente prima di utilizzare l'arma.
- Evita di effettuare test distruttivi o di precisione senza imitare il comportamento umano, per garantire risultati affidabili.
- Non utilizzare inserti non originali o non certificati, in quanto potrebbero non offrire il livello di protezione necessario.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti

- Rimuovi eventuali inserti esistenti dal tuo Master Series Ransom Rest.
- Posiziona gli inserti RANSOM negli appositi alloggiamenti, assicurandoti che siano ben fissati.
- Verifica che non ci siano spazi vuoti o movimenti indesiderati degli inserti.

2. Utilizzo degli Inserti

- Prima di utilizzare l'arma, assicurati che gli inserti siano in posizione corretta e che non ci siano segni di usura o danni.
- Quando utilizzi l'arma, osserva attentamente le vibrazioni e il rinculo. Gli inserti RANSOM dovrebbero assorbire la maggior parte delle forze generate.
- Se noti anomalie nel comportamento dell'arma, interrompi immediatamente l'uso e verifica gli inserti.

3. Manutenzione degli Inserti

- Controlla regolarmente gli inserti per segni di usura o danni.
- Sostituisci gli inserti se noti crepe o deformazioni.
- Pulisci gli inserti con un panno asciutto e morbido per rimuovere polvere o detriti.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento degli inserti usati.
- Non gettare gli inserti in plastica o materiali compositi nei rifiuti normali. Controlla se ci sono programmi di riciclaggio nella tua area.
- Se non sei sicuro di come smaltire gli inserti, contatta le autorità locali per ricevere indicazioni.

Informazioni per Ulteriore Supporto

Per ulteriori informazioni o assistenza, ti invitiamo a contattare il tuo rivenditore o il produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti relative al tuo acquisto.

Queste istruzioni di sicurezza sono state redatte per garantire un uso sicuro e responsabile degli Inserti GRIP RANSOM. Segui queste linee guida per proteggere te stesso e la tua arma.
