

GRIP INSERTS - RANSOM GRIP INSERTS FOR STEYR L9-A2, M9-A2, C9-A2

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR STEYR L9-A2, M9-A2, C9-A2
- Manufacturer: RANSOM
- Product no.: 430119553
- Mfr. No.: 30-300-44-02
- Delivery weight: 0.907kg
- UPC: 810132582493

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die Verwendung von RANSOM GRIP INSERTS

Einführung

Willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS, die speziell für die Modelle STEYR L9A2, M9A2 und C9A2 entwickelt wurden. Diese Anleitung soll dir helfen, die Sicherheit und Leistung deines Produkts zu gewährleisten. Bitte lies die folgenden Informationen sorgfältig durch, um mögliche Risiken zu vermeiden und die bestmögliche Nutzung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass alle Produkte gemäß den Anweisungen verwendet werden.
- Überprüfe regelmäßig auf Rückrufinformationen über die Sicherheitswarnungen der EU.
- Melde unsichere Produkte oder Unfälle umgehend den zuständigen Behörden.
- Halte die Produkte außerhalb der Reichweite von Kindern und schütze sie vor unsachgemäßer Verwendung.
- Achte darauf, dass du alle Anweisungen zur Installation und Nutzung befolgst.

Besondere Sicherheitsvorkehrungen für die Nutzung

- Verwende keine harten oder 3Dgedruckten Einsätze, da diese die Waffe beschädigen und zu Verletzungen führen können.
- Achte darauf, dass die RANSOM GRIP INSERTS korrekt installiert sind, um die bestmögliche Leistung zu gewährleisten.
- Vermeide den Kontakt mit Wasser oder extremen Temperaturen, um die Integrität des Produkts zu sichern.
- Halte die Griffeinlagen sauber und frei von Schmutz oder Ablagerungen, die die Funktion beeinträchtigen könnten.

Anweisungen zur Installation und Nutzung

1. Installation der RANSOM GRIP INSERTS:

- Stelle sicher, dass die Waffe nicht geladen ist und sicher ist.
- Entferne die vorhandenen Griffeinlagen, falls vorhanden.
- Platziere die RANSOM GRIP INSERTS in den vorgesehenen Bereich und drücke sie fest an.
- Überprüfe, ob die Einsätze sicher sitzen und keine Lücken aufweisen.

2. Nutzung der RANSOM GRIP INSERTS:

- Verwende die RANSOM GRIP INSERTS nur mit dem Ransom Rest, um optimale Testergebnisse zu erzielen.
- Achte darauf, die Waffe stabil zu halten und den Rückstoß zu kontrollieren.
- Vermeide übermäßigen Druck auf die Einsätze, um eine Beschädigung zu verhindern.

Entsorgungsanweisungen

- Entsorge die RANSOM GRIP INSERTS gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Stelle sicher, dass alle Teile vollständig entsorgt werden und keine Rückstände zurückbleiben, die andere gefährden könnten.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung zu den RANSOM GRIP INSERTS kannst du dich an den Hersteller oder deinen Händler wenden. Stelle sicher, dass du alle relevanten Informationen zu deinem Produkt bereithältst, um eine schnelle und effektive Unterstützung zu erhalten.

Bitte beachte, dass die Sicherheit und Leistung deiner RANSOM GRIP INSERTS von der ordnungsgemäßen Verwendung und Pflege abhängt. Befolge diese Anweisungen sorgfältig, um die bestmögliche Erfahrung zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR STEYR L9A2, M9A2, C9A2

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed to enhance the performance of your Master Series Ransom Rest while ensuring the safety and longevity of your firearm. This guide provides essential safety information, usage instructions, and precautions to help you use the product safely and effectively.

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions provided.
- Be aware of the risks associated with using hard grip inserts or 3Dprinted plastic inserts, which can damage your firearm.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for updates on product safety and recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Do Not Use Hard Inserts:** Avoid using hard grip inserts or 3Dprinted plastic grip inserts as they may cause damage to your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they must be controlled. The grip inserts are designed to absorb these forces, mimicking the human hand.
- **Monitor for Wear:** Inspect the grip inserts regularly for signs of wear or damage. Replace them if they show signs of deterioration.
- **Avoid Improper Testing:** Ensure that any testing conducted with your firearm mimics humanlike recoil to obtain valid results. Using hard inserts will yield flawed data.
- **Caution with Recoil:** Be aware that even small damages may accumulate over time, leading to potential injury or firearm malfunction.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that your firearm is unloaded and safe before installation.
2. Remove any existing grip inserts from your Ransom Rest.
3. Carefully follow the instructions provided with the grip inserts to install them securely.
4. Ensure the inserts fit snugly and are properly aligned to avoid any movement during use.

- **Usage:**

1. Place your firearm in the Ransom Rest equipped with the grip inserts.
2. Conduct shooting tests while ensuring that the machine remains stable and that the inserts are absorbing recoil as intended.
3. Monitor the firearm and inserts during use for any unusual noises or movements, indicating potential issues.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations.
- Do not throw the inserts in regular trash if they can be recycled. Check with local recycling centers for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the Ransom Grip Inserts, please consult your retailer or the manufacturer's website for further assistance. Always prioritize safety and compliance with local regulations when using this product.

Thank you for prioritizing safety and performance with your Ransom Grip Inserts.

Guida alle Istruzioni di Sicurezza per gli Grip Inserts RANSOM

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per i modelli STEYR L9A2, M9A2 e C9A2. Questa guida fornisce importanti informazioni sulla sicurezza, sull'uso corretto e sulla manutenzione dei grip inserts. Seguire queste istruzioni è fondamentale per garantire un uso sicuro e efficace del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i Grip Inserts RANSOM con i modelli specificati.
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- In caso di dubbi sull'uso del prodotto, contatta un esperto o un professionista qualificato.
- Segnala eventuali prodotti pericolosi o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti RANSOM sono progettati per assorbire le forze di rinculo e vibrazione. Non utilizzare inserti rigidi, in quanto possono danneggiare l'arma.
- Non tentare di modificare o riparare gli inserti. Utilizzare solo i prodotti originali RANSOM.
- Assicurati che gli inserti siano installati correttamente prima di ogni utilizzo.
- Durante l'uso, mantieni una presa sicura sull'arma e segui sempre le pratiche di sicurezza per le armi da fuoco.
- Non utilizzare gli inserti se noti segni di danno o usura.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Grip Inserts:

- Rimuovi gli inserti esistenti dal tuo Master Series Ransom Rest.
- Posiziona gli Grip Inserts RANSOM nel supporto, assicurandoti che siano allineati correttamente.
- Fissa gli inserti seguendo le istruzioni del produttore per garantire una corretta installazione.

2. Uso degli Grip Inserts:

- Posiziona l'arma nel supporto Ransom Rest con gli Grip Inserts installati.
- Assicurati che l'arma sia in una posizione stabile e sicura.
- Esegui i colpi seguendo le pratiche di sicurezza standard per le armi da fuoco.
- Monitora le prestazioni dell'arma e degli inserti durante l'uso.

Istruzioni per lo Smaltimento

- Gli Grip Inserts RANSOM devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nella spazzatura comune. Contatta il tuo comune per informazioni sui punti di raccolta per materiali speciali.
- Assicurati di smaltire gli inserti in modo sicuro, evitando che possano causare danni o infortuni.

Informazioni per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza del prodotto o per domande specifiche, contatta il tuo rivenditore o un

esperto del settore. Assicurati di avere il numero di modello e altre informazioni pertinenti a portata di mano per facilitare la comunicazione.

Questa guida è stata redatta per garantire un uso sicuro e responsabile dei Grip Inserts RANSOM. Segui sempre le istruzioni e le linee guida di sicurezza per proteggere te stesso e gli altri.
