

GRIP INSERTS - RANSOM GRIP INSERTS FOR IWI MASADA

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR IWI MASADA
- Manufacturer: RANSOM
- Product no.: 430119556
- Mfr. No.: 30-300-47-03
- Delivery weight: 0.907kg
- UPC: 810132583520

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die RANSOM GRIP INSERTS für IWI MASADA

Einführung

Herzlich willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS für IWI MASADA. Diese Anleitung soll dir helfen, das Produkt sicher zu verwenden und potenzielle Risiken zu vermeiden. Bitte lies diese Anleitung sorgfältig durch, um sicherzustellen, dass du das Beste aus deinen GRIP INSERTS herausholst.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die RANSOM GRIP INSERTS nur gemäß den Anweisungen verwendest.
- Verwende keine harten Grip Inserts oder 3Dgedruckte Kunststoff Grip Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts die DurometerHärte der menschlichen Hand nachahmen, um den Rückstoß effektiv zu absorbieren.
- Halte dich über Rückrufaktionen und Sicherheitswarnungen auf der EU Safety Gate Plattform auf dem Laufenden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende die Inserts nur mit der Master Series Ransom Rest.
- Überprüfe regelmäßig den Zustand der Inserts auf Risse oder Beschädigungen.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine optimale Leistung zu gewährleisten.
- Halte die Inserts von Kindern fern und verwende sie nur von Erwachsenen, die mit dem Umgang von Feuerwaffen vertraut sind.

Anweisungen für Installation und Verwendung

1. Installation der Inserts:

- Stelle sicher, dass das Gewehr entladen ist, bevor du mit der Installation beginnst.
- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen RANSOM GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein.
- Überprüfe die Passform, um sicherzustellen, dass die Inserts fest sitzen.

2. Verwendung der Inserts:

- Stelle sicher, dass das Gewehr sicher und stabil auf dem Ransom Rest positioniert ist.
- Führe deine Schüsse wie gewohnt durch und achte darauf, dass die Inserts ordnungsgemäß funktionieren.
- Überwache die Vibrationen und den Rückstoß während des Schießens, um sicherzustellen, dass die Inserts ihre Aufgabe erfüllen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Achte darauf, dass die Inserts nicht in die Hände von Kindern gelangen, um Sicherheitsrisiken zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zur Sicherheit der RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder einen autorisierten Händler. Achte darauf, alle Informationen zur Sicherheit und Nutzung zu befolgen.

Schlussfolgerung

Die RANSOM GRIP INSERTS für IWI MASADA sind ein hochwertiges Produkt, das speziell entwickelt wurde, um die Leistung deines Gewehrs zu verbessern. Durch die Beachtung dieser Sicherheitshinweise kannst du sicherstellen, dass du das Produkt sicher und effektiv verwendest. Bleibe informiert und schütze dich und andere, während du das Beste aus deinem Schießelerlebnis herausholst.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR IWI MASADA

Introduction

Thank you for choosing the GRIP INSERTS RANSOM GRIP INSERTS FOR IWI MASADA. This guide provides essential safety instructions and guidelines for the proper use of this product. It is important to read and understand this information to ensure safe and effective operation.

General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not addressed by other EU laws.
- Check for standardized recall notices and free remedies for dangerous products.
- Remember that online shopping provides the same protections as physical stores.
- Extra safeguards are in place for vulnerable groups, such as children.
- For safety inquiries, contact the designated EUbased contact point.
- Stay informed about unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Do Not Use Hard Inserts:** Avoid using hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Hard inserts do not replicate humanlike recoil, rendering test data invalid and leading to inaccurate results.
- **Monitor for Damage:** Damage from hard inserts may not be immediately visible but can accumulate with each shot, decreasing the life of the barrel and firearm.
- **Avoid Injury Risks:** Using hard inserts may potentially cause injury or even death if something goes wrong.
- **Mimic Human Recoil:** Whether for destructive testing or accuracy testing, it is essential to mimic the human hand's recoil absorption to ensure valid results.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Ensure the firearm is unloaded before installation.
- Carefully remove any existing grip inserts from the Ransom Rest.
- Align the new grip inserts with the designated slots on the Ransom Rest.
- Firmly press the grip inserts into place until they are secured.

2. Using the Ransom Rest:

- Place the firearm securely in the Ransom Rest.
- Ensure that the grip inserts are properly absorbing recoil.
- Conduct your tests while monitoring the performance of the inserts.
- Do not exceed the recommended number of shots to avoid excessive wear on the inserts.

3. PostUsage Care:

- Inspect the grip inserts for any signs of wear or damage after each use.
- Clean the grip inserts with a soft cloth to remove any debris or residue.
- Store the Ransom Rest and grip inserts in a dry, safe location when not in use.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of the inserts in regular household waste if they are made from materials that require special handling.
- Check with local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or further assistance regarding the GRIP INSERTS RANSOM GRIP INSERTS FOR IWI MASADA, please refer to the designated EUbased contact point provided by the manufacturer.

By following these guidelines, you can ensure a safe and effective experience with your GRIP INSERTS RANSOM GRIP INSERTS FOR IWI MASADA. Thank you for your attention to safety.

Guida alle Istruzioni di Sicurezza per i Grip Inserts RANSOM per IWI Masada

Introduzione

Benvenuto nella guida alle istruzioni di sicurezza per i Grip Inserts RANSOM per IWI Masada. Questa guida è progettata per garantire un uso sicuro e responsabile del prodotto, in conformità con le normative di sicurezza generali dell'UE. Si prega di leggere attentamente tutte le informazioni e di seguire le istruzioni fornite per evitare incidenti o danni.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare i Grip Inserts RANSOM solo con armi compatibili, come l'IWI Masada.
- Evita di utilizzare grip inserts rigidi o in plastica stampata in 3D, poiché possono danneggiare l'arma.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso.
- Controlla regolarmente i Grip Inserts per segni di usura o danni.
- Non utilizzare i Grip Inserts se noti anomalie o danni evidenti.
- Se hai domande o preoccupazioni sulla sicurezza, rivolgiti a un esperto.

Precauzioni di Sicurezza Specifiche per l'Uso

- I grip inserts sono progettati per assorbire le vibrazioni e il rinculo. Non utilizzare grip inserts rigidi.
- Non tentare di modificare o adattare i Grip Inserts RANSOM in alcun modo.
- Assicurati che l'arma sia scarica prima di installare o rimuovere i Grip Inserts.
- Non utilizzare i Grip Inserts durante condizioni meteorologiche avverse, come pioggia o neve.
- Mantieni i Grip Inserts puliti e privi di detriti per garantire prestazioni ottimali.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione:** Assicurati che l'arma sia completamente scarica. Controlla visivamente e fisicamente la camera e il caricatore.
2. **Installazione:**
 - Rimuovi il grip insert esistente, se presente.
 - Posiziona il Grip Insert RANSOM nel supporto designato.
 - Fissa saldamente il Grip Insert in posizione secondo le istruzioni del produttore.
3. **Uso:**
 - Dopo l'installazione, verifica che il Grip Insert sia ben fissato.
 - Utilizza l'arma seguendo le procedure di sicurezza standard per le armi da fuoco.
 - Monitora le prestazioni del Grip Insert durante l'uso. Se noti vibrazioni eccessive o altri problemi, interrompi l'uso e verifica il Grip Insert.

Istruzioni per lo Smaltimento

- Quando i Grip Inserts RANSOM non sono più utilizzabili, smaltiscili in conformità con le normative locali sui rifiuti.
- Non gettare i Grip Inserts nel fuoco o in corsi d'acqua.
- Se possibile, ricicla i materiali secondo le indicazioni del tuo comune.

Informazioni di Contatto per Ulteriore Supporto

Per domande o preoccupazioni relative alla sicurezza, si consiglia di contattare un esperto o un professionista del settore. Assicurati di avere a disposizione il modello e il numero di serie del prodotto per facilitare il supporto.

Conclusione

L'uso sicuro dei Grip Inserts RANSOM per IWI Masada è fondamentale per garantire prestazioni ottimali e la sicurezza dell'utente. Segui attentamente tutte le istruzioni e le linee guida di sicurezza per evitare danni all'arma e incidenti. La tua sicurezza è la nostra priorità.
