

GRIP INSERTS - RANSOM GRIP INSERTS FOR KEL-TEC P32

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR KEL-TEC P32
- Manufacturer: RANSOM
- Product no.: 430119557
- Mfr. No.: 30-300-49-03
- Delivery weight: 0.907kg
- UPC: 810132581533

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR KELTEC P32

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS von RANSOM. Diese Anleitung hilft dir, die Sicherheit und den richtigen Umgang mit deinem Produkt zu gewährleisten. Bitte lies die folgenden Informationen sorgfältig durch, um mögliche Risiken zu vermeiden und das Beste aus deinem Schießerlebnis herauszuholen.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur mit den dafür vorgesehenen Waffen verwendest.
- Überprüfe die Inserts regelmäßig auf Beschädigungen oder Abnutzung.
- Bewahre die Inserts außerhalb der Reichweite von Kindern auf.
- Informiere dich über die richtigen Schießtechniken und -praktiken, um Verletzungen zu vermeiden.
- Melde unsichere Produkte oder Vorfälle umgehend an die zuständigen Behörden.
- Halte dich über Rückrufupdates auf der EU Safety Gate Plattform auf dem Laufenden.

Besondere Sicherheitsvorkehrungen für die Nutzung

- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die RANSOM Grip Inserts richtig installiert sind, um ihre Funktionalität zu gewährleisten.
- Lasse die Inserts nicht in der Nähe von extremen Temperaturen oder Feuchtigkeit liegen.
- Beachte, dass die Inserts speziell für die menschliche Hand entwickelt wurden und Vibrationen sowie Rückstoß absorbieren.

Anweisungen zur Installation und Nutzung

1. Installation der RANSOM Grip Inserts:

- Entferne alle bisherigen Inserts von deinem Master Series Ransom Rest.
- Reinige die Kontaktflächen gründlich, um eine optimale Haftung zu gewährleisten.
- Setze die RANSOM Grip Inserts vorsichtig in die vorgesehenen Bereiche ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Bewegungen zulassen.

2. Nutzung der RANSOM Grip Inserts:

- Stelle sicher, dass dein Gewehr ordnungsgemäß geladen und gesichert ist, bevor du mit dem Schießen beginnst.
- Achte darauf, dass du die richtige Schießposition einnimmst, um den Rückstoß gut zu kontrollieren.
- Beobachte die Leistung der Inserts während des Schießens und achte auf ungewöhnliche Vibrationen oder Geräusche.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffen.
- Stelle sicher, dass die Inserts nicht in die Umwelt gelangen und ordnungsgemäß recycelt werden, wenn möglich.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen und Unterstützung zu den GRIP INSERTS von RANSOM, wende dich bitte an den Händler, bei dem du das Produkt erworben hast, oder besuche die offizielle Website von RANSOM.

Bitte beachte, dass diese Sicherheitsanweisungen im Einklang mit den EUVorgaben für Produktsicherheit stehen. Durch die Beachtung dieser Hinweise trägst du zur Sicherheit deines Schießerlebnisses bei.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR KELTEC P32

Introduction

Thank you for choosing the Ransom International Grip Inserts for your KelTec P32. These inserts are designed to enhance your shooting experience while ensuring safety and reliability. This guide provides essential safety instructions and guidelines for the proper use and maintenance of the grip inserts.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or removing the grip inserts.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Ransom Rest. These materials can damage your firearm and provide inaccurate test results.
- Be aware that improper use of grip inserts may lead to injury or damage to your firearm.
- Follow all local laws and regulations regarding firearm usage and safety.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy, damaging the gun and leading to safety hazards.
- **Mimic Human Recoil:** The grip inserts are designed to replicate the natural recoil of the human hand. Using incompatible materials will lead to flawed testing.
- **Periodic Checks:** Regularly inspect the grip inserts for wear and tear. Replace them if any damage is noted.
- **Proper Handling:** Always handle your firearm safely and responsibly, adhering to standard safety practices.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Ensure the firearm is unloaded.
- Remove any existing grip inserts from the Ransom Rest.
- Align the Ransom International Grip Inserts with the designated slots on the Ransom Rest.
- Press firmly until the inserts are securely in place.

2. Usage:

- Set up your Ransom Rest according to the manufacturer's instructions.
- Ensure the firearm is properly mounted in the Ransom Rest.
- Conduct your tests while observing all safety precautions.
- Monitor the performance of the grip inserts during testing to ensure they are functioning as intended.

3. PostUsage Care:

- After use, clean the grip inserts as per the manufacturer's recommendations.
- Store the inserts in a safe, dry place to prevent damage.

Disposal Instructions

- Dispose of any damaged grip inserts in accordance with local regulations.
- Do not throw grip inserts in regular trash if they are made of materials that require special handling. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Ransom International Grip Inserts, please refer to the manufacturer's support resources.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective shooting experience with your Ransom International Grip Inserts. Always prioritize safety and adhere to best practices when handling firearms. Thank you for your attention to these important safety measures.

Istruzioni di Sicurezza per l'Uso degli Inserti Ransom Grip per KELTEC P32

Introduzione

Benvenuto! Questo documento fornisce importanti istruzioni di sicurezza e linee guida per l'uso degli Inserti Ransom Grip per KELTEC P32. Gli inserti sono progettati per offrire prestazioni ottimali e proteggere la tua arma. È fondamentale seguire queste istruzioni per garantire un utilizzo sicuro e corretto del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli Inserti Ransom Grip progettati per il tuo modello di arma.
- Non utilizzare inserti rigidi o stampati in 3D. Questi possono danneggiare l'arma e compromettere la tua sicurezza.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso.
- Controlla regolarmente gli inserti per eventuali segni di usura o danni.
- Non utilizzare l'arma in condizioni che potrebbero compromettere la tua sicurezza o quella degli altri.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti Ransom sono progettati per assorbire le forze di rinculo e vibrazione. Assicurati che siano installati correttamente per massimizzare questa funzione.
- Non forzare mai l'arma o gli inserti oltre le specifiche raccomandate.
- Non utilizzare l'arma se noti anomalie nel funzionamento o se gli inserti sembrano danneggiati.
- Tieni gli inserti e l'arma lontano dalla portata di bambini e gruppi vulnerabili.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti

- Rimuovi qualsiasi inserto esistente o accessorio dalla tua arma.
- Segui le istruzioni specifiche fornite con gli inserti Ransom per l'installazione.
- Assicurati che gli inserti siano saldamente fissati e che non ci siano spazi vuoti.

2. Uso degli Inserti

- Colloca l'arma nel Ransom Rest secondo le istruzioni fornite.
- Assicurati che l'arma sia in posizione corretta e stabile prima di iniziare a sparare.
- Monitora attentamente le prestazioni dell'arma durante l'uso e fai attenzione a qualsiasi cambiamento nel comportamento.

Istruzioni per lo Smaltimento

- Gli inserti Ransom Grip sono progettati per una lunga durata, ma quando non sono più utilizzabili, smaltiscili in modo responsabile.
- Segui le normative locali per lo smaltimento di prodotti in plastica e metallo.
- Non gettare gli inserti nell'ambiente; assicurati di smaltirli in un centro di raccolta adeguato.

Informazioni di Contatto per Ulteriore Supporto

Per domande o ulteriori informazioni sulla sicurezza e sull'uso degli Inserti Ransom Grip, ti invitiamo a contattare il tuo rivenditore autorizzato o il produttore.

Conclusione

Seguire queste istruzioni è fondamentale per garantire la tua sicurezza e quella degli altri durante l'uso degli Inserti Ransom Grip per KELTEC P32. Ricorda sempre che la responsabilità nell'uso delle armi è essenziale per prevenire incidenti e garantire un ambiente sicuro.
