

GRIP INSERTS - RANSOM GRIP INSERTS FOR KEL-TEC PMR30

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR KEL-TEC PMR30
- Manufacturer: RANSOM
- Product no.: 430119562
- Mfr. No.: 30-300-49-01
- Delivery weight: 0.907kg
- UPC: 810132581519

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR KELTEC PMR30

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSERTS für die KELTEC PMR30. Diese Inserts wurden speziell entwickelt, um die Leistung deines Gewehrs zu optimieren und gleichzeitig die Sicherheit zu gewährleisten. Bitte lese die folgenden Sicherheitshinweise sorgfältig durch, um Risiken zu vermeiden und die korrekte Verwendung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts gemäß den Anweisungen verwendest, um Verletzungen und Schäden zu vermeiden.
- Verwende ausschließlich die empfohlenen GRIP INSERTS. Harte oder 3Dgedruckte Inserts können schädlich für dein Gewehr sein.
- Halte die Inserts und das Gewehr außerhalb der Reichweite von Kindern und schutzbedürftigen Personen.
- Überprüfe regelmäßig den Zustand der Inserts und des Gewehrs auf Anzeichen von Abnutzung oder Beschädigung.

Besondere Sicherheitsvorkehrungen bei der Verwendung

- Vermeide die Verwendung von harten Inserts, da diese die Rückstoßenergie nicht korrekt absorbieren und dein Gewehr schädigen können.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine optimale Leistung zu gewährleisten.
- Sei dir bewusst, dass die Inserts dazu entwickelt wurden, die Rückstoßkräfte zu absorbieren. Eine falsche Verwendung kann zu ungenauen Testergebnissen führen.
- Halte dich an die empfohlenen Testmethoden, um reproduzierbare Ergebnisse zu erzielen.

Anweisungen zur Installation und Nutzung

1. Installation der Inserts:

- Entferne das Gewehr sicher aus dem Schussbereich und stelle sicher, dass es entladen ist.
- Befolge die spezifischen Anweisungen des Herstellers zur Installation der GRIP INSERTS.
- Stelle sicher, dass die Inserts fest und sicher im Gewehr sitzen, um eine optimale Funktion zu gewährleisten.

2. Nutzung der Inserts:

- Verwende die Inserts nur in Verbindung mit der Master Series Ransom Rest.
- Achte darauf, dass die Inserts die ersten Millisekunden des Schusses absorbieren, bevor die Maschine zurückstoßen kann.
- Führe regelmäßig Tests durch, um sicherzustellen, dass die Inserts ordnungsgemäß funktionieren.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Achte darauf, dass alle Teile sicher und umweltfreundlich entsorgt werden, um Umweltschäden zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zu den GRIP INSERTS wende dich bitte an den Hersteller. Die Kontaktdaten findest du auf der Verpackung oder in den beiliegenden Unterlagen.

Bitte beachte, dass diese Sicherheitshinweise dazu dienen, die sichere Verwendung der GRIP INSERTS zu unterstützen und potenzielle Risiken zu minimieren. Bei Unsicherheiten oder Fragen zögere nicht, professionelle Unterstützung in Anspruch zu nehmen.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR KELTEC PMR30

Introduction

Thank you for choosing the Ransom International Grip Inserts for your KelTec PMR30. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** Always ensure the safe use of the grip inserts. These inserts are designed to enhance your testing experience while minimizing risks associated with improper use.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided for a remedy.
- **Online Shopping:** When purchasing online, ensure that you are using a reputable platform that complies with safety requirements.
- **Special Consumer Focus:** Extra precautions should be taken when using this product around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, ensure you reach out to the appropriate EU-based contact.
- **Rapid Alerts:** Be aware of updates regarding unsafe products via the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can cause damage to your firearm and lead to inaccurate test results.
- **Understand Recoil Dynamics:** The inserts are designed to absorb recoil and vibration, mimicking the human hand's natural response. Using hard inserts will not replicate this effect.
- **Monitor for Damage:** Regularly inspect your firearm for any signs of wear or damage that may arise from improper use of grip inserts.
- **Follow Testing Protocols:** When conducting destructive or accuracy testing, ensure that the test mimics humanlike handling to achieve valid results.
- **Educate Yourself:** Familiarize yourself with the physics of recoil and vibration to understand how the inserts function.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove any existing grip inserts from the firearm.
- Carefully insert the Ransom Grip Inserts into the designated area of the firearm, ensuring a snug fit.
- Verify that the inserts are securely in place before proceeding to use the firearm.

2. Usage:

- Always use the grip inserts in conjunction with the Ransom Rest system to ensure optimal performance.
- Conduct tests in a controlled environment, following all safety protocols for handling firearms.
- After each use, inspect the grip inserts for any signs of wear or damage. Replace them if necessary.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw grip inserts in regular household waste. Check for recycling programs in your area that accept plastic materials.
- Ensure that any disposed items do not pose a risk to the environment or public safety.

Contact Information for Further Support

For any inquiries or further assistance regarding the Ransom Grip Inserts, please refer to the contact details provided with your purchase. Always ensure that you are following the latest safety guidelines and recommendations.

By following these safety instructions, you can ensure a safe and effective experience with the Ransom International Grip Inserts for your KelTec PMR30. Thank you for prioritizing safety in your firearm practices.

Istruzioni di Sicurezza per gli Inserti GRIP RANSOM per KELTEC PMR30

Introduzione

Grazie per aver scelto gli inserti GRIP RANSOM per il tuo KELTEC PMR30. Questo prodotto è progettato per migliorare le prestazioni del tuo Master Series Ransom Rest e per proteggere la tua arma da fuoco. È fondamentale seguire le istruzioni di sicurezza per garantire un uso corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti GRIP RANSOM progettati per il KELTEC PMR30.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D, in quanto possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Conserva gli inserti in un luogo sicuro e asciutto, lontano dalla portata di bambini e animali.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti GRIP RANSOM sono progettati per assorbire il rinculo e le vibrazioni. Non utilizzare inserti che non siano conformi a queste specifiche.
- Non tentare di modificare o riparare gli inserti. Qualsiasi modifica può compromettere la loro funzionalità e sicurezza.
- Assicurati che l'inserto sia installato correttamente prima di utilizzare la tua arma.
- Non utilizzare l'arma se sospetti che ci siano problemi con l'inserto o se hai notato anomalie durante l'uso.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi l'inserto precedente, se presente, seguendo le istruzioni del produttore.
- Posiziona l'inserto GRIP RANSOM nel supporto, assicurandoti che sia allineato correttamente.
- Fissa l'inserto in posizione seguendo le istruzioni specifiche per il tuo modello di Ransom Rest.

2. Uso:

- Posiziona la tua arma nel Ransom Rest.
- Controlla che l'inserto assorba correttamente il rinculo e le vibrazioni durante il tiro.
- Dopo ogni sessione di tiro, controlla l'inserto per eventuali segni di usura o danni.

Istruzioni per lo Smaltimento

- Gli inserti GRIP RANSOM non devono essere smaltiti con i rifiuti domestici.
- Segui le normative locali per lo smaltimento dei materiali plastici e degli accessori per armi.
- Contatta le autorità locali per informazioni su come smaltire correttamente il prodotto.

Informazioni di Contatto per Ulteriore Supporto

Per qualsiasi domanda o preoccupazione riguardante la sicurezza del prodotto, è possibile contattare il produttore o consultare il sito web ufficiale per ulteriori informazioni. Assicurati di avere il numero di modello e altre informazioni pertinenti a portata di mano.

Conclusione

La sicurezza è la priorità principale quando si utilizza qualsiasi prodotto legato alle armi. Segui attentamente queste istruzioni di sicurezza per garantire un utilizzo efficace e sicuro degli inserti GRIP RANSOM per il tuo KELTEC PMR30. Se hai dubbi o domande, non esitare a cercare assistenza.
