

GRIP INSERTS - RANSOM GRIP INSERTS FOR CARACAL USA ENHANCED F

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR CARACAL USA ENHANCED F
- Manufacturer: RANSOM
- Product no.: 430119571
- Mfr. No.: 30-300-57-01
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580482

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die Verwendung von GRIP INSERTS RANSOM GRIP INSERTS

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS für Caracal USA Enhanced F. Diese Anleitung soll dir helfen, die Inserts sicher und effektiv zu verwenden, um die Leistung deines Master Series Ransom Rest zu maximieren. Bitte lies die folgenden Informationen sorgfältig durch, um potenzielle Gefahren zu vermeiden und eine sichere Nutzung zu gewährleisten.

Allgemeine Sicherheitshinweise

- Stelle sicher, dass du die Inserts nur mit kompatiblen Waffen verwendest.
- Verwende die Inserts gemäß den Anweisungen des Herstellers.
- Halte die Inserts außerhalb der Reichweite von Kindern und anderen gefährdeten Personen.
- Überprüfe die Inserts regelmäßig auf Abnutzung oder Beschädigungen.
- Melde unsichere Produkte oder Vorfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Inserts:** Harte Grip Inserts oder 3Dgedruckte Kunststoffinserts können deinem Gewehr schaden.
- **Achte auf Rückstoß:** Harte Inserts erzeugen destruktive Rückstoßenergie, die die Integrität deines Gewehrs beeinträchtigen kann.
- **Testdaten:** Stelle sicher, dass die Inserts die menschlichen Rückstoßkräfte effektiv nachahmen, um valide Testergebnisse zu gewährleisten.
- **Verletzungsrisiko:** Schäden durch unsachgemäße Verwendung können sich mit jedem Schuss ansammeln und sind möglicherweise nicht sofort sichtbar.

Anweisungen für Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass dein Gewehr sicher und in einem stabilen Zustand ist.
- Überprüfe, ob die Inserts kompatibel mit deinem Modell sind.

2. Installation:

- Entferne die alten Inserts, falls vorhanden.
- Setze die RANSOM Grip Inserts gemäß den Anweisungen des Herstellers ein.
- Achte darauf, dass die Inserts fest sitzen und keine Bewegungsspielräume haben.

3. Nutzung:

- Teste die Inserts zunächst bei niedrigen Geschwindigkeiten, um sicherzustellen, dass sie ordnungsgemäß funktionieren.
- Achte auf Vibrationen und Rückstoß, während du das Gewehr verwendest.
- Wenn du ungewöhnliche Geräusche oder Bewegungen bemerkst, stoppe die Nutzung sofort und überprüfe die Inserts.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Informiere dich über Recyclingmöglichkeiten in deiner Region, um umweltfreundliche Entsorgung zu gewährleisten.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zu den GRIP INSERTS RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder deinen Händler. Stelle sicher, dass du alle relevanten Informationen bereithältst, um eine schnelle Unterstützung zu erhalten.

Bitte beachte, dass die Sicherheit deiner Ausrüstung und deiner Person von größter Bedeutung ist. Halte dich an diese Richtlinien, um die bestmögliche Leistung und Sicherheit bei der Nutzung deiner RANSOM Grip Inserts zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR CARACAL USA ENHANCED F

Introduction

Thank you for choosing the Ransom International Grip Inserts. This guide provides essential safety information and instructions to ensure safe and effective use of your grip inserts. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions in this guide.
- Be aware of the risks associated with improper use of grip inserts, including potential damage to your firearm and personal injury.
- Always use the grip inserts as intended and in accordance with the manufacturer's recommendations.
- Check for updates on product safety and recalls through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest. These materials can cause damage to your firearm.
- Understand that hard inserts generate destructive recoil energy that can adversely affect the frame and barrel of your gun.
- Be aware that hard or poorly engineered inserts may fail to replicate humanlike recoil, leading to invalid test results.
- Recognize that using hard inserts can decrease the lifespan of your firearm and may pose risks of injury or death.
- Always mimic humanlike grip and recoil during testing to ensure accurate results.

Instructions for Installation and Usage

- Ensure that your firearm is unloaded before installing the grip inserts.
- Follow these steps for proper installation:
 1. Remove any existing grip inserts from the Ransom Rest.
 2. Select the appropriate Ransom grip insert designed to match the durometer of the human hand.
 3. Carefully align the grip insert with the mounting area of the Ransom Rest.
 4. Securely attach the grip insert, ensuring it is firmly in place.
- To use the Ransom Rest with the grip inserts:
 1. Place your firearm in the Ransom Rest, ensuring it is stable and secure.
 2. Perform your shooting tests while monitoring the performance of the grip inserts.
 3. After each use, inspect the grip inserts for any signs of wear or damage.
- If you notice any damage or deterioration, discontinue use immediately and replace the grip inserts.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of the grip inserts in regular household waste if they contain materials that may be harmful to the environment.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Ransom International Grip Inserts, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure the safe and effective use of your Ransom grip inserts.

Istruzioni di Sicurezza per l'Uso dei Grip Inserts RANSOM

Introduzione

Benvenuti nel manuale di sicurezza per i Grip Inserts RANSOM progettati per le prestazioni superiori della tua Master Series Ransom Rest. Questo documento fornisce linee guida essenziali per garantire un uso sicuro e corretto del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'UE (GPSR).

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo Grip Inserts RANSOM per evitare danni all'arma.
- Non utilizzare grip inserts rigidi o in plastica stampati in 3D, poiché possono compromettere la sicurezza e la funzionalità dell'arma.
- Segui sempre le istruzioni fornite per l'installazione e l'uso.
- Conserva il prodotto lontano dalla portata di bambini e gruppi vulnerabili.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip inserts rigidi o stampati in 3D.
- Assicurati che gli inserti siano installati correttamente prima dell'uso.
- Controlla regolarmente gli inserti per segni di usura o danni.
- Utilizza il prodotto solo per l'uso previsto e in conformità con le istruzioni del produttore.
- Non tentare di modificare o riparare gli inserti.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti

- Rimuovi eventuali grip inserts esistenti dall'arma.
- Pulisci l'area di installazione per garantire un'adesione ottimale.
- Posiziona il Grip Insert RANSOM nell'area designata, assicurandoti che sia ben fissato.
- Verifica che non ci siano spazi vuoti o movimenti eccessivi.

2. Uso del Prodotto

- Utilizza il Grip Insert RANSOM durante le sessioni di tiro per assorbire il rinculo.
- Osserva attentamente il comportamento dell'arma durante l'uso per rilevare eventuali anomalie.
- Non utilizzare l'arma se si notano segni di malfunzionamento o danni agli inserti.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM non devono essere smaltiti con i rifiuti domestici.
- Segui le normative locali per il corretto smaltimento dei materiali.
- Contatta un centro di smaltimento autorizzato per informazioni specifiche sullo smaltimento.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori domande o supporto riguardo ai Grip Inserts RANSOM, ti invitiamo a contattare il tuo rivenditore autorizzato o visitare il sito ufficiale di RANSOM. Assicurati di avere a disposizione il numero di modello e la prova d'acquisto per ricevere assistenza.

Queste istruzioni sono state redatte per garantire un uso sicuro e responsabile dei Grip Inserts RANSOM. La tua sicurezza e quella degli altri è la nostra priorità. Segui queste linee guida e goditi le prestazioni superiori del tuo prodotto.
