

GRIP INSERTS - RANSOM GRIP INSERTS FOR AREX DEFENSE ZERO 1 S

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR AREX DEFENSE ZERO 1 S
- Manufacturer: RANSOM
- Product no.: 430119572
- Mfr. No.: 30-300-59-03
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580147

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR AREX DEFENSE ZERO 1 S

Einführung

Vielen Dank, dass du dich für die GRIP INSERTS RANSOM GRIP INSERTS für deine AREX DEFENSE ZERO 1 S entschieden hast. Diese Anleitung bietet wichtige Informationen zur sicheren Verwendung der Inserts und zur Vermeidung potenzieller Gefahren. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du und andere sicher sind.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass die GRIP INSERTS nur für den vorgesehenen Zweck verwendet werden.
- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGriffstücke, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts regelmäßig auf Beschädigungen überprüft werden.
- Halte die Inserts und alle damit verbundenen Geräte außerhalb der Reichweite von Kindern.
- Berichte unsichere Produkte oder Unfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Inserts:** Harte Inserts erzeugen destruktive Rückstoßenergie, die deinem Gewehr schaden kann.
- **Vibration und Rückstoß:** Die Inserts sind darauf ausgelegt, die Duometrie der menschlichen Hand nachzuahmen und die Rückstoßkräfte zu absorbieren.
- **Regelmäßige Überprüfung:** Überprüfe die Inserts vor jedem Gebrauch auf Risse oder andere Schäden.
- **Testbedingungen:** Wenn du Tests durchführst, achte darauf, dass du die menschlichen Handbewegungen nachahmst, um genaue Ergebnisse zu erzielen.

Anweisungen für Installation und Nutzung

1. Installation der GRIP INSERTS:

- Stelle sicher, dass das Gewehr entladen ist, bevor du mit der Installation beginnst.
- Befolge die Anweisungen des Herstellers zur korrekten Installation der Inserts.
- Überprüfe nach der Installation, ob die Inserts sicher und stabil sitzen.

2. Verwendung der GRIP INSERTS:

- Halte das Gewehr mit der richtigen Technik, um den Rückstoß optimal zu kontrollieren.
- Achte darauf, dass du die Inserts nur in Verbindung mit dem Ransom Rest verwendest, um die besten Ergebnisse zu erzielen.
- Führe regelmäßige Tests durch, um sicherzustellen, dass die Inserts ordnungsgemäß funktionieren.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Elektronik und Kunststoff.
- Achte darauf, dass die Inserts nicht in die Umwelt gelangen und sicher entsorgt werden.

Kontaktinformationen für weitere Unterstützung

Für weitere Unterstützung oder Informationen zu Sicherheitsanfragen, wende dich bitte an den Hersteller oder einen autorisierten Händler.

Bitte beachte, dass die Verwendung von GRIP INSERTS RANSOM GRIP INSERTS für deine AREX DEFENSE ZERO 1 S sicher und effizient ist, wenn du die oben genannten Richtlinien befolgst. Deine Sicherheit und die Sicherheit anderer ist von größter Bedeutung.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR AREX DEFENSE ZERO 1 S

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Master Series Ransom Rest. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before use to understand the potential hazards and how to avoid them.

General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not addressed by other EU laws.
- Always check for recall updates on the EU Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.
- If you are part of a vulnerable group (e.g., children), extra care should be taken when using this product.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Ransom Rest. These can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they must be controlled. Hard inserts do not replicate humanlike recoil, leading to invalid test data.
- **Check for Damage:** Inspect your firearm regularly for signs of wear or damage caused by improper inserts. Damage may not be immediately visible but can accrue with each shot.
- **Mimic Human Recoil:** For accurate testing, always use inserts that mimic the human hand's ability to absorb recoil. This is crucial for both destructive and accuracy testing.

Instructions for Installation and Usage

- **Installation:**

1. Ensure your Ransom Rest is in a stable position.
2. Remove any previous inserts carefully.
3. Align the grip inserts with the designated slots in the Ransom Rest.
4. Secure the inserts firmly to prevent movement during use.

- **Usage:**

1. Place your firearm securely in the Ransom Rest.
2. Ensure that the firearm is unloaded before installation.
3. Conduct tests in a controlled environment to ensure safety.
4. Monitor the performance of the grip inserts and the firearm during use.

- **PostUse:**

1. Clean the grip inserts and the Ransom Rest after each use to maintain their condition.
2. Store the inserts and rest in a dry, safe place away from direct sunlight.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw grip inserts in regular household waste if they are made from materials that require special disposal.
- Check with local waste management authorities for specific disposal guidelines.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Ransom International Grip Inserts, please refer to the contact information provided on the product packaging or visit the manufacturer's website for assistance.

By following these guidelines and instructions, you can ensure safe and effective use of the Ransom International Grip Inserts. Thank you for your attention to safety and for being a responsible user.

Guida alle Istruzioni di Sicurezza per GRIP INSERTS RANSOM GRIP INSERTS PER AREX DEFENSE ZERO 1 S

Introduzione

Grazie per aver scelto gli INSERTI PER IMPUGNATURA RANSOM progettati per il tuo AREX DEFENSE ZERO 1 S. Questa guida fornisce informazioni importanti sulla sicurezza, sull'uso e sulla manutenzione degli inserti. È fondamentale seguire queste istruzioni per garantire un utilizzo sicuro ed efficace del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati che il prodotto sia utilizzato solo secondo le istruzioni fornite.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.
- Rimani informato su eventuali aggiornamenti di richiamo tramite la piattaforma Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire il rinculo e le vibrazioni, simili alla mano umana.
- Non utilizzare inserti che non siano stati specificamente progettati per il tuo modello di arma.
- Evita di utilizzare l'arma con inserti danneggiati o usurati, poiché ciò potrebbe causare infortuni.
- Non tentare di modificare o riparare gli inserti da solo.
- Segui sempre le normative locali e nazionali relative all'uso delle armi da fuoco.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi qualsiasi inserto esistente dalla tua impugnatura Ransom.
- Assicurati che l'area di installazione sia pulita e priva di detriti.
- Posiziona l'inserto Ransom nella sua sede, assicurandoti che sia ben fissato.
- Verifica che non ci siano spazi o movimenti eccessivi.

2. Uso degli Inserti:

- Utilizza sempre l'arma in un ambiente sicuro e controllato.
- Segui le pratiche di sicurezza standard per l'uso delle armi da fuoco.
- Monitora attentamente le prestazioni dell'arma durante l'uso e fai attenzione a eventuali anomalie.

Istruzioni per lo Smaltimento

- Gli inserti devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nel normale spazzatura. Contatta un centro di smaltimento autorizzato per la corretta gestione dei materiali.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori domande o supporto, ti invitiamo a contattare il tuo rivenditore o il produttore. Assicurati di avere a

disposizione il numero di modello e la prova di acquisto.

Si prega di seguire queste istruzioni per garantire un uso sicuro e responsabile degli INSERTI PER IMPUGNATURA RANSOM. La tua sicurezza e quella degli altri è la nostra massima priorità.
