

GRIP INSERTS - RANSOM GRIP INSERTS FOR SHADOW SYSTEMS MR920, DR920

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR SHADOW SYSTEMS MR920, DR920
- Manufacturer: RANSOM
- Product no.: 430119580
- Mfr. No.: 30-300-65-01
- Delivery weight: 0.907kg
- UPC: 810132582110

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR SHADOW SYSTEMS MR920, DR920

Einführung

Herzlich willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS, die speziell für deine Shadow Systems MR920 und DR920 entwickelt wurden. Diese Anleitung bietet wichtige Informationen zur sicheren Verwendung des Produkts und hilft dir, mögliche Gefahren zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Verwende die RANSOM GRIP INSERTS nur in Verbindung mit den empfohlenen Shadow Systems Modellen (MR920 und DR920).
- Achte darauf, dass alle Teile des Produkts in gutem Zustand sind, bevor du es verwendest.
- Halte das Produkt außerhalb der Reichweite von Kindern und schutzbedürftigen Personen.
- Informiere dich über die Sicherheitsvorkehrungen und richtlinien, bevor du das Produkt benutzt.
- Melde unsichere Produkte oder Unfälle an die zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwende keine harten GriffEinsätze oder 3Dgedruckte KunststoffgriffEinsätze, da diese dein Gewehr beschädigen können.
- Harte Einsätze können destruktive Rückstoßenergie erzeugen, die durch den Rahmen und Lauf deines Gewehrs übertragen wird.
- Achte darauf, dass die RANSOM GRIP INSERTS korrekt installiert sind, um ihre optimale Leistung zu gewährleisten.
- Bei der Durchführung von destruktiven Tests oder Genauigkeitstests ist es wichtig, den menschlichen Rückstoß nachzuahmen, um fehlerhafte Testergebnisse zu vermeiden.
- Sei vorsichtig und lerne aus den Erfahrungen anderer, die versucht haben, unsichere Einsätze zu verwenden.

Anweisungen zur Installation und Nutzung

1. Installation der RANSOM GRIP INSERTS:

- Stelle sicher, dass das Gewehr entladen ist, bevor du mit der Installation beginnst.
- Folge den Anweisungen des Herstellers zur Installation der GriffEinsätze.
- Überprüfe, ob die Einsätze fest sitzen und keine Spielräume vorhanden sind.

2. Nutzung der RANSOM GRIP INSERTS:

- Halte das Gewehr immer in einem sicheren Zustand, während du die RANSOM GRIP INSERTS verwendest.
- Achte darauf, dass du in einem sicheren Bereich schießst, der für das Schießen geeignet ist.
- Beobachte die Rückstoß und Vibrationseffekte während des Schießens und passe deine Technik gegebenenfalls an.

Entsorgungsanweisungen

- Entsorge die RANSOM GRIP INSERTS gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoff und Metallprodukten.

- Achte darauf, dass das Produkt nicht in die Hände von Kindern gelangt, wenn du es entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zur Sicherheit des Produkts wende dich bitte an die zuständige Stelle in deinem Land. Achte darauf, dass du die aktuellen Sicherheitsrichtlinien und Rückrufinformationen über die EU Safety Gate Plattform überprüfst.

Bitte beachte, dass diese Sicherheitshinweise dazu dienen, dir bei der sicheren Verwendung der GRIP INSERTS RANSOM GRIP INSERTS zu helfen. Deine Sicherheit und die Sicherheit anderer hat oberste Priorität.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR SHADOW SYSTEMS

MR920, DR920

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Shadow Systems MR920 and DR920. These grip inserts are specifically designed to enhance your shooting experience while ensuring safety and reliability. This guide provides essential safety instructions, usage precautions, and installation guidelines to help you use the product effectively.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the grip inserts by following all instructions. These inserts are designed to mitigate recoil and vibration, protecting both the firearm and the user.
- **Enhanced Recalls:** Stay informed about any potential recalls related to the product. Follow the manufacturer's guidance if a recall occurs.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** These inserts are not suitable for children. Ensure they are kept out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the designated contact point provided by the manufacturer.
- **Rapid Alerts:** Monitor updates regarding product safety through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Do Not Use Hard Grip Inserts:** Avoid using hard grip inserts or 3Dprinted plastic grip inserts. These can cause damage to the firearm due to excessive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be eliminated. They must be controlled to prevent damage.
- **Follow Installation Instructions:** Proper installation is crucial to ensure the inserts function as intended.
- **Check for Wear and Tear:** Regularly inspect the grip inserts for any signs of wear. Replace them if they show significant degradation.
- **Avoid Improper Testing:** Do not use hard or 3Dprinted inserts for testing. They do not replicate humanlike recoil, leading to inaccurate test results.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe to handle before installation.
- Remove any existing grip inserts, if applicable.
- Clean the grip area of the firearm to ensure a secure fit.
- Align the Ransom grip insert with the grip area and press firmly until it is securely in place.
- Check that the insert is seated properly and does not move.

2. Usage:

- When using the firearm with the grip inserts, maintain a proper shooting stance to enhance control.

- Be mindful of the recoil and vibration during shooting. The grip inserts are designed to absorb these forces.
- After each shooting session, inspect the inserts for any signs of damage or wear.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw away in regular household waste. Check for recycling options available in your area.

Contact Information for Further Support

For any questions or concerns regarding the Ransom Grip Inserts, please refer to the manufacturer's contact point for assistance.

Thank you for prioritizing safety and quality in your shooting experience.

Guida alla Sicurezza per Inserti RANSOM GRIP per Shadow Systems MR920, DR920

Introduzione

Benvenuto nella guida alla sicurezza per gli inserti RANSOM GRIP progettati per i sistemi Shadow MR920 e DR920. Questa guida fornisce informazioni importanti per garantire un uso sicuro e corretto del prodotto, conformemente alle normative sulla sicurezza dei prodotti dell'Unione Europea.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare gli inserti RANSOM GRIP solo come indicato nel manuale.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono causare danni all'arma e potenziali infortuni.
- Segnala qualsiasi prodotto ritenuto non sicuro alle autorità competenti.
- Controlla regolarmente aggiornamenti sui richiami tramite la piattaforma Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti RANSOM sono progettati per assorbire le forze di rinculo e vibrazione. Utilizza solo gli inserti originali RANSOM.
- Non utilizzare il prodotto se noti segni di usura o danni.
- Durante l'uso, assicurati che l'arma sia sempre in una posizione sicura e corretta.
- Evita di sovraccaricare l'arma con accessori non compatibili.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovere eventuali inserti esistenti dal Master Series Ransom Rest.
- Posizionare gli inserti RANSOM GRIP nel supporto in modo che siano ben fissati.
- Assicurati che gli inserti siano allineati correttamente per garantire una stabilità ottimale.

2. Uso degli Inserti:

- Colloca l'arma nel supporto Ransom Rest con gli inserti installati.
- Assicurati che l'arma sia sicura e stabile prima di procedere con il tiro.
- Durante il tiro, osserva attentamente il comportamento dell'arma e degli inserti. Se noti vibrazioni eccessive o movimenti anomali, interrompi immediatamente l'uso.

3. Manutenzione:

- Controlla regolarmente gli inserti per segni di usura e sostituiscili se necessario.
- Pulisci gli inserti con un panno morbido e asciutto per rimuovere polvere e detriti.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM GRIP devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nel normale spazzatura. Contatta il tuo centro di raccolta rifiuti locale per informazioni sullo smaltimento corretto.

Contatti per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza e sull'uso degli inserti RANSOM GRIP, ti invitiamo a contattare il produttore. Assicurati di avere il numero di modello e altre informazioni pertinenti a portata di mano.

Questa guida è stata redatta per garantire che tu possa utilizzare gli inserti RANSOM GRIP in modo sicuro e responsabile. Segui sempre le indicazioni e le precauzioni di sicurezza per evitare incidenti e garantire una lunga durata del tuo prodotto.
