

## GRIP INSERTS - RANSOM GRIP INSERTS FOR TISAS PX9

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

### Attributes

- Name: RANSOM GRIP INSERTS FOR TISAS PX9
- Manufacturer: RANSOM
- Product no.: 430119585
- Mfr. No.: 30-300-64-01
- Delivery weight: 0.907kg
- UPC: 810132583155

### Item details

Made in USA

US export classification: 0A501.y.1

# Sicherheitshinweise für GRIP INSERTS RANSOM

## GRIP INSERTS FÜR TISAS PX9

### Einleitung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für die TISAS PX9! Diese Inserts sind speziell entwickelt, um die Leistung deines Master Series Ransom Rest zu maximieren. Um die Sicherheit und die optimale Nutzung zu gewährleisten, ist es wichtig, die folgenden Sicherheitshinweise und Anweisungen zu beachten.

### Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur für den vorgesehenen Zweck verwendest.
- Halte die Inserts außerhalb der Reichweite von Kindern und anderen gefährdeten Gruppen.
- Überprüfe die Inserts regelmäßig auf Schäden oder Abnutzung.
- Verwende die Inserts nicht, wenn sie beschädigt sind oder Anzeichen von Verschleiß zeigen.
- Informiere dich über Rückrufaktionen und Sicherheitswarnungen über die EU Safety Gate Plattform.

### Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwende keine harten Grip Inserts oder 3Dgedruckten KunststoffGrip Inserts, da diese dem Gewehr schaden können.
- Harte Inserts erzeugen schädliche Rückstoßenergien, die das Gewehr beeinträchtigen können.
- Achte darauf, dass die Inserts die Durometrie der menschlichen Hand nachahmen, um eine sichere Nutzung zu gewährleisten.
- Bei Anzeichen von Beschädigungen an den Inserts oder dem Gewehr, suche sofort professionelle Hilfe.

### Anweisungen für Installation und Nutzung

#### 1. Installation der Inserts:

- Entferne die alten Inserts vorsichtig.
- Setze die neuen RANSOM Grip Inserts gemäß den Anweisungen des Herstellers ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen.

#### 2. Nutzung der Inserts:

- Achte darauf, dass das Gewehr in einem sicheren Zustand ist, bevor du mit dem Schießen beginnst.
- Beobachte die ersten Millisekunden des Schusses und achte darauf, dass die Maschine nicht sofort reagiert.
- Halte dich an die empfohlenen Schießtechniken, um die Leistung der Inserts optimal zu nutzen.

### Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Stelle sicher, dass alle Teile umweltgerecht entsorgt werden, um die Umwelt zu schützen.

### Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung zu den RANSOM GRIP INSERTS, wende dich bitte an den Hersteller oder deinen Händler. Achte darauf, dass du alle relevanten Informationen über das Produkt

bereithältst, um eine schnelle und effektive Unterstützung zu erhalten.

Bitte beachte, dass die oben genannten Hinweise dazu dienen, die Sicherheit und die effektive Nutzung der RANSOM GRIP INSERTS zu gewährleisten. Deine Sicherheit hat oberste Priorität!

# Safety Instruction Guide for GRIP INSERTS

## RANSOM GRIP INSERTS FOR TISAS PX9

### Introduction

Thank you for choosing the Ransom International Grip Inserts for your TISAS PX9. These inserts are designed to enhance your shooting experience while ensuring safety and performance. This guide provides essential safety instructions and guidelines to help you use the product effectively and safely.

### General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the grip inserts are compatible with your firearm model.
- Inspect the grip inserts for any visible damage before use.
- Keep the grip inserts out of reach of children and vulnerable individuals.
- Report any unsafe product experiences or accidents to the relevant authorities.

### Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. They can cause significant damage to your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be eliminated but can be controlled. The inserts are designed to absorb these forces, mimicking the human hand.
- **Monitor for Damage:** Be aware that damage may not be immediately visible but can accumulate with each shot. Using hard inserts may decrease the life of your barrel and firearm.
- **Test Validity:** For any testing (destructive or accuracy), ensure that the inserts replicate humanlike recoil to avoid flawed results.

### Instructions for Installation and Usage

#### 1. Installation:

- Carefully read the installation instructions provided with the grip inserts.
- Ensure that the firearm is unloaded and safe before installation.
- Align the grip inserts properly with the firearm's grip area.
- Secure the inserts according to the manufacturer's guidelines to ensure stability.

#### 2. Usage:

- Always use the grip inserts as intended, following the manufacturer's recommendations.
- Regularly check the grip inserts for wear and tear, replacing them as necessary.
- Maintain a proper shooting stance to maximize the effectiveness of the grip inserts.
- After use, clean the grip inserts according to the manufacturer's instructions to prolong their lifespan.

### Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw grip inserts in regular household waste.
- Consider recycling options available in your area for plastic materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the Ransom International Grip Inserts, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Thank you for your attention to these safety instructions. Your safety and the performance of your firearm are our top priorities.

# Istruzioni di Sicurezza per i Grip Inserts RANSOM per TISAS PX9

## Introduzione

Benvenuto! Questo manuale fornisce istruzioni di sicurezza essenziali per l'uso dei Grip Inserts RANSOM progettati per migliorare la tua esperienza di tiro con la TISAS PX9. È fondamentale seguire queste linee guida per garantire un utilizzo sicuro e efficace del prodotto.

## Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i Grip Inserts RANSOM progettati specificamente per la TISAS PX9.
- Non utilizzare grip inserts rigidi o in plastica stampata in 3D, poiché possono danneggiare la tua arma.
- Fai attenzione alle vibrazioni e al rinculo; questi possono influenzare la tua esperienza di tiro e la sicurezza.
- Conserva il prodotto in un luogo asciutto e sicuro, lontano dalla portata di bambini e animali.

## Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare gli inserti rigidi, in quanto possono ridurre la vita della canna e dell'arma.
- È fondamentale non ignorare i segnali di malfunzionamento o danno all'arma.
- Se avverti vibrazioni eccessive o altri problemi durante l'uso, interrompi immediatamente l'uso e controlla l'arma e gli inserti.
- Non tentare di modificare o riparare gli inserti. Per assistenza, contatta un professionista qualificato.

## Istruzioni per l'Installazione e l'Uso

### 1. Installazione degli Inserti:

- Rimuovi gli inserti esistenti dalla tua TISAS PX9.
- Segui le istruzioni del produttore per installare correttamente i Grip Inserts RANSOM.
- Assicurati che gli inserti siano saldamente fissati prima di utilizzare l'arma.

### 2. Utilizzo degli Inserti:

- Posiziona l'arma in modo sicuro e stabile prima di iniziare a tirare.
- Assicurati di avere una buona presa sugli inserti durante l'uso.
- Utilizza sempre occhiali protettivi e protezioni per le orecchie durante il tiro.

### 3. Controllo PostUso:

- Dopo ogni sessione di tiro, controlla gli inserti per eventuali segni di usura o danno.
- Sostituisci immediatamente gli inserti se noti segni di deterioramento.

## Istruzioni per lo Smaltimento

- Gli inserti RANSOM devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nell'ambiente; utilizza i punti di raccolta appropriati per il riciclaggio o lo smaltimento.
- Segui sempre le istruzioni fornite dalle autorità locali riguardo allo smaltimento dei prodotti in plastica e materiali compositi.

## **Informazioni di Contatto per Ulteriore Supporto**

Per qualsiasi domanda o preoccupazione riguardo all'uso dei Grip Inserts RANSOM, ti invitiamo a contattare un professionista del settore o il tuo rivenditore di fiducia. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti per ricevere assistenza specifica.

Seguendo queste istruzioni di sicurezza, potrai utilizzare i Grip Inserts RANSOM per la tua TISAS PX9 in modo sicuro e responsabile. Ricorda che la tua sicurezza e quella degli altri è la priorità principale. Buon tiro!
