

GRIP INSERTS - RANSOM GRIP INSERTS FOR LONE WOLF TWC, DUSK

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR LONE WOLF TWC, DUSK
- Manufacturer: RANSOM
- Product no.: 430119589
- Mfr. No.: 30-300-74-02
- Delivery weight: 0.907kg
- UPC: 810132581595

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR LONE WOLF TWC, DUSK

Einführung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSERTS für deinen Lone Wolf TWC! Diese Inserts wurden speziell entwickelt, um die Leistung deines Gewehrs zu optimieren und gleichzeitig sicherzustellen, dass du die bestmögliche Erfahrung beim Schießen hast. Bitte lies diese Sicherheitsanweisungen sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur für den vorgesehenen Zweck verwendest.
- Halte die Inserts außerhalb der Reichweite von Kindern und Haustieren.
- Überprüfe regelmäßig die Inserts auf Abnutzung oder Beschädigungen.
- Melde unsichere Produkte oder Unfälle umgehend den zuständigen Behörden.
- Informiere dich über Rückrufe und Sicherheitswarnungen auf der EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts die DurometerHärte der menschlichen Hand nachahmen, um Rückstoß und Vibrationen zu absorbieren.
- Verwende die Inserts nicht, wenn sie beschädigt oder abgenutzt sind.
- Beachte, dass harte Inserts die Lebensdauer des Laufs und des Gewehrs verringern können.

Anweisungen für Installation und Verwendung

1. Vorbereitung

- Stelle sicher, dass dein Gewehr sicher und entladen ist, bevor du mit der Installation der Inserts beginnst.
- Überprüfe die Inserts auf sichtbare Schäden oder Abnutzung.

2. Installation der Grip Inserts

- Entferne die alten Inserts aus deinem Gewehr, falls vorhanden.
- Setze die neuen RANSOM GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein.
- Achte darauf, dass die Inserts fest sitzen und keine Lücken bestehen.

3. Verwendung der Grip Inserts

- Schieße nur mit den richtig installierten Inserts.
- Achte auf die ersten Millisekunden des Schusses; die Inserts sollten in der Lage sein, die Vibration und den Rückstoß zu absorbieren.
- Beobachte die Leistung deines Gewehrs und achte auf etwaige Veränderungen oder Probleme.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Stelle sicher, dass alle Teile sicher und umweltfreundlich entsorgt werden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Fragen zu den GRIP INSERTS RANSOM GRIP INSERTS, wende dich bitte an den Hersteller oder deinen Fachhändler.

Bitte beachte: Diese Sicherheitsanweisungen sind wichtig, um die sichere Verwendung der GRIP INSERTS RANSOM GRIP INSERTS zu gewährleisten. Befolge die Anweisungen sorgfältig, um die bestmögliche Leistung und Sicherheit zu gewährleisten.

GRIP INSERTS RANSOM GRIP INSERTS FOR LONE WOLF TWC, DUSK

Introduction

Welcome to the safety instruction guide for the Ransom International Grip Inserts designed for the Lone Wolf TWC, Dusk. This guide provides essential safety information and usage instructions to ensure safe operation and maintenance of your product. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** Always ensure that the product is used according to the manufacturer's instructions to avoid risks associated with improper use.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product to ensure your safety.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements as per EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored safely out of their reach.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on any unsafe products.

Specific Safety Precautions for Use

- **Do Not Use Hard Grip Inserts:** Avoid using hard grip inserts or 3Dprinted plastic grip inserts with your Ransom Rest. They can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be eliminated; they must be controlled. Hard inserts fail to replicate humanlike recoil and can lead to invalid test results.
- **Monitor for Damage:** Be aware that damage may not be immediately visible but can accumulate over time, reducing the lifespan of your firearm.
- **Avoid Injury Risks:** Using hard inserts can potentially cause injury or death due to firearm malfunction.
- **Mimic Human Recoil:** Ensure that you use inserts that are designed to mimic the human hand for accurate and safe testing.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Ransom Rest is on a stable and secure surface before installation.
- Carefully insert the grip inserts into the designated slots of the Ransom Rest.
- Confirm that the inserts are firmly in place and aligned correctly.

2. Usage:

- Load your firearm into the Ransom Rest according to the manufacturer's instructions.
- Ensure that the firearm is secured and will not move during testing.
- Conduct your tests while monitoring for any signs of abnormal wear or damage to the firearm or the inserts.
- After each use, inspect the grip inserts for any signs of wear or damage and replace them if necessary.

Disposal Instructions

- Dispose of any damaged or worn grip inserts according to local regulations.
- Do not dispose of the inserts in regular household waste if they are made from materials that may be hazardous.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Ransom International Grip Inserts, please refer to the manufacturer's contact information provided with your product packaging or visit their official website for more details.

By following these guidelines, you can ensure the safe and effective use of your Ransom International Grip Inserts, enhancing your shooting experience while maintaining safety standards.

Guida alle Istruzioni di Sicurezza per gli Grip Inserts RANSOM

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Lone Wolf TWC. Questa guida fornisce informazioni importanti sulla sicurezza e sull'uso corretto del prodotto. Si prega di leggere attentamente queste istruzioni per garantire un utilizzo sicuro e ottimale.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i Grip Inserts RANSOM con il tuo Lone Wolf TWC. L'uso di inserti rigidi o stampati in 3D può danneggiare l'arma.
- Non ignorare eventuali avvisi di sicurezza o richiami relativi al prodotto.
- Controlla regolarmente le informazioni sui richiami attraverso la piattaforma Safety Gate dell'UE.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Utilizzo

- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D.
- Assicurati che gli inserti siano installati correttamente prima di utilizzare l'arma.
- Evita di utilizzare l'arma in condizioni di umidità o temperature estreme che potrebbero compromettere le prestazioni degli inserti.
- Non tentare di modificare o riparare gli inserti. In caso di danni, contatta il rivenditore per assistenza.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi eventuali inserti esistenti dall'arma.
- Pulisci l'area di installazione per garantire una buona adesione.
- Posiziona i Grip Inserts RANSOM nel loro alloggiamento, assicurandoti che siano ben fissati.
- Verifica che non ci siano spazi vuoti o movimenti degli inserti.

2. Utilizzo dell'Arma:

- Prima di ogni utilizzo, controlla visivamente gli inserti per eventuali segni di usura o danni.
- Utilizza l'arma in un ambiente controllato e sicuro.
- Segui sempre le procedure di sicurezza standard per il maneggio delle armi.

Istruzioni per lo Smaltimento

- Gli inserti Grip RANSOM non devono essere smaltiti insieme ai rifiuti domestici.
- Contatta il tuo comune per informazioni sulle procedure di smaltimento corrette.
- Considera il riciclaggio dei materiali quando possibile.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni o domande sulla sicurezza del prodotto, è consigliabile contattare il rivenditore presso cui è stato acquistato il prodotto.

Nota Importante: Assicurati di mantenere questa guida per riferimento futuro e di condividerla con chiunque utilizzi il prodotto. La sicurezza è una responsabilità condivisa e ogni precauzione conta.
