

DEADLOCK CHARGING HANDLE CQB FOR AR-308/SR25 - SENTRY MANUFACTURING DEADLOCK CHARGING HANDLE CQB FOR AR-308/SR25 BLACK

SENTRY MANUFACTURING DEADLOCK CHARGING HANDLE CQB FOR AR-308/SR25 The Sentry Manufacturing DEADLOCK Charging Handle for the AR-308/SR25 platform brings the company's proven DEADLOCK technology to larger-frame rifles, delivering enhanced reliability, durability, and shooter performance. Designed specifically for AR-308 and SR25-pattern firearms, it provides the same innovative features trusted by professional users while accommodating the increased demands of the platform. At the heart of the design is patent-pending dual-locking technology, which helps prevent inadvertent charging handle movement caused by equipment snags or accidental contact. By reducing the likelihood of unintended movement, the system helps minimize the potential for weapon malfunctions and improves operational confidence in demanding environments. The charging handle's independent dual-latch architecture allows continued operation even if one wing becomes damaged. This design also provides balanced actuation forces, ensuring smooth, consistent manipulation from either side and enhancing overall user control. Advanced gas-management technology is incorporated through a patented hard-stop gas key channel and full upper-receiver encompassing high-shelf geometry. Together, these features significantly reduce gas blowback to the shooter, improving comfort and reducing distractions during firing. Aggressive texturing on both the operating wings and activation buttons provides a secure, positive grip under adverse conditions. Whether wearing gloves or operating in wet, muddy, or otherwise challenging environments, users can confidently manipulate the charging handle when needed. Strength is further enhanced through a reinforced angled gusset at the gas key contact interface. This design delivers approximately 30% greater structural strength than conventional charging handle designs, helping it withstand the rigors of heavy-duty use and repeated cycling. Precision-machined from 7075-T6 aircraft-grade aluminum and finished with MIL-SPEC Type III hard-coat anodizing, the DEADLOCK Charging Handle offers exceptional resistance to wear, corrosion, and harsh environmental conditions while maintaining a long service life. Each DEADLOCK AR-308/SR25 Charging Handle includes a button override pin, allowing users to convert the system to traditional charging handle operation if desired. It also incorporates U.S.-manufactured extreme-duty hardware throughout, ensuring dependable performance and long-term durability.

FEATURES Patented DEADLOCK dual locking system that eliminates snags from causing unwanted weapon charging or malfunctions Truly ambidextrous wing design with independent latch engagement; allowing the charging handle to continue normal operation with either wing missing. This design also provides equal wing tension for smoother operation Aggressive wing and button texturing provide a secure grip in even the harshest environments Angled gusset at gas key contact point proves 30% greater strength than standard charging handles, resulting in less failures during hard use All handles ship with a button override pin, allowing the button to be pinned forward and DEADLOCK to be used as a traditional charging handle Patented shortened hard stop gas key channel and complete upper encompassing high shelf design for unparalleled gas blowback mitigation ALL parts are precision milled from aircraft grade 7075 aluminum and type III hard anodized for longevity and corrosion resistance Extreme duty, US made hardware

Attributes

- Name: SENTRY MANUFACTURING DEADLOCK CHARGING HANDLE CQB FOR AR-308/SR25 BLACK
- Manufacturer: SENTRY MANUFACTURING
- Product no.: 430119818
- Mfr. No.: 2001-000-BLK
- Finish: Black
- Hand: Ambidextrous
- Material: Aluminum 7075-T6
- Model: SR-25
- Weapon type: Knights Armament,AR .308
- Delivery weight: 0.227kg
- Shipping height: 203mm
- Shipping width: 76mm
- Shipping length: 76mm
- UPC: 669185436860

Item details

Made in USA

Sicherheitshinweise für den DEADLOCK Charging Handle CQB für AR308/SR25

Einführung

Vielen Dank, dass du dich für den DEADLOCK Charging Handle CQB von SENTRY MANUFACTURING entschieden hast. Dieser Ladehebel wurde entwickelt, um die Leistung und Zuverlässigkeit deines AR308 oder SR25 zu verbessern. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um eine sichere Nutzung des Produkts zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Bedienungsanleitung vollständig gelesen und verstanden hast, bevor du das Produkt verwendest.
- Halte den Ladehebel und andere Teile der Waffe außerhalb der Reichweite von Kindern und unbefugten Personen.
- Verwende das Produkt nur für den vorgesehenen Zweck und in Übereinstimmung mit den geltenden Gesetzen und Vorschriften.
- Überprüfe regelmäßig den Ladehebel auf Beschädigungen oder Abnutzung. Bei Anzeichen von Schäden sollte das Produkt nicht verwendet werden.
- Melde unsichere Produkte oder Unfälle umgehend den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Achte darauf, dass der Ladehebel korrekt installiert ist, um Fehlfunktionen zu vermeiden.
- Verwende beim Laden und Entladen der Waffe immer die Sicherheitsvorkehrungen, die für deine spezifische Waffe gelten.
- Vermeide es, den Ladehebel in feuchten oder extremen Umgebungen zu verwenden, da dies die Funktionalität beeinträchtigen kann.
- Halte immer einen sicheren Griff am Ladehebel, um ein Abrutschen oder ungewollte Bewegungen zu verhindern.
- Verwende die duallocking Technologie des Ladehebels, um unerwünschte Bewegungen während des Gebrauchs zu vermeiden.

Anweisungen für Installation und Verwendung

1. Installation:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation des Ladehebels beginnst.
- Entferne den alten Ladehebel, falls vorhanden, gemäß den Anweisungen des Herstellers.
- Setze den DEADLOCK Charging Handle in die vorgesehenen Halterungen ein und stelle sicher, dass er fest sitzt.
- Überprüfe die Funktionalität des Ladehebels, indem du ihn mehrmals betätigst, um sicherzustellen, dass er ordnungsgemäß funktioniert.

2. Verwendung:

- Betätige den Ladehebel mit gleichmäßiger Kraft, um eine reibungslose Bedienung zu gewährleisten.
- Achte darauf, die Waffe in eine sichere Richtung zu halten, während du den Ladehebel betätigst.
- Bei Problemen mit dem Ladehebel, wie z.B. feststecken oder ungewollte Bewegungen, stoppe sofort die Verwendung und überprüfe das Produkt.

Entsorgungsanweisungen

- Entsorge den Ladehebel und alle zugehörigen Teile gemäß den örtlichen Vorschriften für die Entsorgung von Metall und anderen Materialien.
- Achte darauf, dass alle Teile sicher verpackt sind, um Verletzungen während der Entsorgung zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung zu deinem Produkt, wende dich bitte an den Hersteller oder einen autorisierten Händler. Stelle sicher, dass du alle relevanten Informationen, einschließlich Modellnummer und Kaufdatum, bereithältst.

Bitte beachte, dass diese Sicherheitshinweise dazu dienen, die sichere Verwendung des DEADLOCK Charging Handle CQB zu fördern. Deine Sicherheit und die der anderen haben oberste Priorität.

Safety Instruction Guide for Sentry Manufacturing Deadlock Charging Handle CQB for AR308/SR25

Introduction

Thank you for choosing the Sentry Manufacturing Deadlock Charging Handle CQB for AR308/SR25. This guide provides essential safety instructions to ensure the safe and effective use of your new charging handle. Please read this manual carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure safe use by following the guidelines provided in this manual.
- **Enhanced Recalls:** Be aware that in the event of a recall, standardized notices will be issued, and remedies will be provided at no cost.
- **Online Shopping:** If purchased online, ensure the platform meets safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when used around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, an EU-based contact is available.
- **Rapid Alerts:** Stay informed about unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Proper Handling:** Always handle the charging handle with care. Ensure that the firearm is unloaded before installation or maintenance.
- **Inspection:** Regularly inspect the charging handle for any signs of wear or damage. Do not use if damaged.
- **Ambidextrous Operation:** The charging handle is designed for ambidextrous use. Ensure proper engagement from either side.
- **Secure Grip:** Use the textured wings and buttons for a secure grip, especially in adverse conditions.
- **Environmental Conditions:** Avoid using the charging handle in extreme weather conditions unless necessary.
- **Keep Away from Children:** Store the charging handle and firearm out of reach of children and unauthorized users.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing charging handle if applicable.
- Align the Deadlock Charging Handle with the receiver.
- Insert the charging handle fully into the receiver until it locks into place.
- Ensure that the handle operates smoothly before use.

2. Usage:

- To charge the firearm, grip the charging handle firmly.
- Pull the handle back fully to chamber a round.
- Release the handle, allowing it to return to its original position.
- If the handle does not return smoothly, inspect for obstructions or damage.

3. Button Override Pin:

- The charging handle includes a button override pin.
- If needed, insert the pin to convert the charging handle to traditional operation.
- Ensure the pin is securely in place before use.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations.
- Do not dispose of in regular household waste.
- If the product is damaged beyond repair, consider recycling the aluminum components where possible.

Contact Information for Further Support

For any questions or concerns regarding the Deadlock Charging Handle CQB for AR308/SR25, please refer to the manufacturer's website or contact your retailer for assistance.

By following these safety instructions, you can ensure the effective and safe use of your Sentry Manufacturing Deadlock Charging Handle CQB for AR308/SR25. Thank you for your attention to safety and for choosing our product.

Guida alle Istruzioni di Sicurezza per la Maniglia di Ricarica DEADLOCK CQB per AR308/SR25

Introduzione

Grazie per aver scelto la Maniglia di Ricarica DEADLOCK CQB per AR308/SR25 di Sentry Manufacturing. Questa guida fornisce informazioni importanti sulla sicurezza, l'uso e la manutenzione del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'UE (GPSR). Si prega di leggere attentamente tutte le sezioni per garantire un utilizzo sicuro e corretto.

Linee Guida Generali sulla Sicurezza

- Assicurarsi che il prodotto sia utilizzato esclusivamente per l'uso previsto.
- Tenere il prodotto lontano dalla portata di bambini e gruppi vulnerabili.
- Controllare regolarmente la maniglia per eventuali segni di usura o danni.
- Seguire tutte le istruzioni di installazione e utilizzo fornite in questo manuale.
- Segnalare eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Utilizzo corretto:** Utilizzare la maniglia di ricarica solo in condizioni di sicurezza e con armi da fuoco compatibili.
- **Verifica prima dell'uso:** Controllare che la maniglia sia correttamente installata e funzionante prima di ogni utilizzo.
- **Ambiente di utilizzo:** Evitare di utilizzare la maniglia in condizioni estreme che potrebbero compromettere la sua funzionalità.
- **Manutenzione:** Pulire regolarmente la maniglia e controllare i meccanismi di bloccaggio per garantire un funzionamento ottimale.
- **Sicurezza durante il caricamento:** Assicurarsi che l'arma sia sempre in posizione sicura durante il caricamento e lo scaricamento.

Istruzioni per l'Installazione e l'Uso

1. Installazione della Maniglia di Ricarica:

- Rimuovere la maniglia di ricarica esistente, se presente.
- Posizionare la maniglia di ricarica DEADLOCK CQB sull'arma in modo che i perni di fissaggio siano allineati.
- Fissare saldamente la maniglia utilizzando le viti fornite, assicurandosi che siano ben serrate.

2. Utilizzo della Maniglia di Ricarica:

- Posizionarsi in una posizione sicura e controllata.
- Tirare la maniglia di ricarica verso di sé per caricare l'arma.
- Utilizzare la maniglia per scaricare l'arma seguendo le procedure di sicurezza appropriate.
- In caso di inceppamenti, utilizzare il pulsante di override per ripristinare la funzionalità della maniglia.

Istruzioni per lo Smaltimento

- Seguire le normative locali per lo smaltimento dei materiali di scarto.
- Non smaltire il prodotto in modo irresponsabile; assicurarsi che tutte le parti siano smaltite in conformità con le leggi ambientali vigenti.

- Considerare il riciclo dei materiali, se possibile, per ridurre l'impatto ambientale.

Informazioni di Contatto per Ulteriore Supporto

Per assistenza, domande o segnalazioni di prodotti non sicuri, contattare il punto di contatto dell'UE specificato nella documentazione del prodotto. Assicurarsi di avere a disposizione il numero di modello e altre informazioni pertinenti per facilitare il supporto.

Si prega di conservare questa guida per riferimento futuro e di consultarla in caso di domande o dubbi sull'uso della Maniglia di Ricarica DEADLOCK CQB per AR308/SR25. La sicurezza è la nostra priorità e il corretto utilizzo del prodotto contribuirà a garantire un'esperienza sicura e soddisfacente.
