Donar Precision Deburrer 8/32" Thread Adapter

Safety Instructions

Introduction

Thank you for choosing the Wolfskrieger Donar Precision Deburrer 8/32" Thread Adapter. This product is designed to enhance your reloading experience by allowing the Donar Precision Deburrer to be used with compatible case prep stations. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Always use the product in accordance with the manufacturer's guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check the EU's Safety Gate platform for any recall updates related to this product.

Specific Safety Precautions for Use

- Use the adapter only with compatible case prep stations featuring an 8/32" threaded interface.
- Do not exceed the recommended torque specifications when installing the adapter.
- Avoid using the product in wet or humid conditions to prevent electrical hazards.
- Ensure that your hands are dry and free from any substances that could affect grip when handling the product.
- If you experience any discomfort or unusual sensations while using the product, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure that the Donar Precision Deburrer is clean and free from debris.
- Align the 8/32" thread adapter with the threaded interface of the case prep station.
- Gently screw the adapter into place, ensuring a snug fit without overtightening.
- Confirm that the adapter is securely attached before proceeding to use the deburrer.

2. Usage Steps:

- Prepare your cases according to standard reloading practices.
- Insert the case into the deburrer and ensure it is held firmly in place.
- Activate the deburring process as per your reloading setup instructions.
- Once the deburring is complete, turn off the equipment and remove the case carefully.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged beyond repair, consult your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Donar Precision Deburrer 8/32" Thread Adapter, please reach out to the manufacturer's support team or consult the product's official website for more information.

Thank you for your attention to these safety instructions. Enjoy your experience with the Donar Precision Deburrer 8/32" Thread Adapter and reload with confidence!
